

### Bury St Edmunds Site Submissions

During the last period of consultation for the Vision 2031 documents that ran from the 1<sup>st</sup> March to 30<sup>th</sup> April 2012 the Borough Council carried out a further call for sites that developers or landowners would like allocating in the local plan. Nine submissions were received and were subsequently reported to Sustainable Development Panel in July 2012

The three additional submissions below were made via submitted comments to the Vision 2031 documents. A paper reporting these comments was noted by the Bury Area Working Party at its meeting in September 2012.

The table below provides a summary of the three submissions. The Working Party is asked to **note** that these submissions have been made but have not been included in the Revised Draft Bury St Edmunds Vision 2031 document.
