Dear Tom,

Re:- Sex Establishment License Policy

The Chairman of our Development & Planning Committee has advised me that FHDC had agreed to review their Sex Establishment Policy by the end of 2012. With this in mind, I have been asked to re-submit the Council's original response to the FHDC Sex Establishment Policy Consultation.

Please find below the Council's original comments as follows:-

- **Location** – that no sex establishments are to be located within 200 metres of a residential area, school, nursery, building, park or recreation area used by children and places of worship.
- **Advertising** – that the Town Council be consulted on any advertising matters related to Sex Establishments
- **Numbers of premises** – that no more than 2 licences be issued to enable Sex Establishments to legally operate within the town of Newmarket.
- **Application process** – that Newmarket Town Council be consulted on any licensing matters related to Sex Establishments.

I would be grateful if you can confirm when FHDC will be undertaking their review.

Thank you

Yours sincerely,

Isabelle Barrett
Town Clerk
