3.1 The recommendation meets the following, as contained within the Corporate Plan:

4. Key issues

Core Funding Applications: 2014/2015 (Report E192)

- 4.1 In line with the Grants Policy, each year the Council awards core funding grants to a variety of organisations. As Members will recall, the bulk of the funding was allocated to organisations for a four-year period from 2012/2013 (Reports C252 (Grant Working Party) and C317 (Cabinet) refer). As with last year this has given limited opportunity for some new applicants to apply for Core Funding.
- 4.2 Up to £11,000 is available for allocation in 2014/2015.
- 4.3 Report E192 will provide the Working Party with the applications received for funding for 2014/2015. Each application is firstly assessed in terms of whether it falls into a particular category to establish its eligibility for funding, as detailed in Section 4.2 of Report E192, or whether it could be referred to the four-year (up to 2015/2016) £50,000 grant scheme administered on behalf of the Borough Council by ONE Haverhill. Each application has been assessed in turn, as summarised in Report E192, and a recommendation has been provided by the officers for initial consideration by the Grant Working Party prior to Cabinet.
- 4.4 In addition, two applications, Open Road and Community Action Suffolk, were awarded funding of £2,500 and £18,0000 respectively in 2013/2014 for an initial year, with funding for a further year being subject to review (Cabinet Minute 101 – 13 February 2013 refers). The funding for these two organisations is currently built into the base budget so the £11,000 quoted at 4.2 above will increase if these sums are not awarded for 2014/2015.
- 4.5 As the Working Party meets in December it is not yet possible to carry out a full year review. To allow a full year of operation it is recommended that delegated authority is provided for the review to be completed.
