## **Background to Taxi Fares Review**

- A Taxi Fares review was last undertaken in 2019
- In December 2021 we received a request from a Zone B driver to undertake a fares review. We have also received a request from a driver in Zone A
- Licensing Team subsequently committed to undertaking a review of fares ready for July's meeting
- If approved the proposed fares will be published in the local press and there will be a minimum 14 day consultation period
- Ipswich Borough Council recently undertook a fares review and there was a 5% increase

- Fare charge required to be advertised in local paper

## **Methodology for calculating fare increase**

### **Comparison of salary and running costs between 2019 and 2022**

- Annual cost of fuel – 12 months of fuel reports reviewed
- Common associated costs e.g. cost of Licenses

### **Consumer Price Index Rise Applied**

- Mean of 12 month CPI average calculated (for three year period)
- Increase applied to median household disposable income
- Sum of total running costs and household disposable income (with CPI applied)
