29. **Application for the Grant of a Combined Hackney Carriage/Private Hire Driver's Licence (para 1) (Report No LIC/FH/15/007)**

The Committee was asked to consider an application for a Combined Hackney Carriage/Private Hire Driver's Licence under the provisions of Part 2 of the Local Government (Miscellaneous Provisions) Act 1976.

The Licensing Officer presented the report which explained that the application was before Members to determine in light of convictions declared by the applicant. In view of which, the Committee needed to be satisfied that the applicant was a fit and proper person to hold a licence issued by the Council. Attention was drawn to Appendix 3 (of Report No LIC/FH/15/007) which set out the Council's Taxi and PHV Licensing Criminal Convictions' Policy that served as guidance for Members.

The applicant had previously had his application heard by the Licensing Committee on 8 September 2014 when it was refused by Members.

Lastly, the Officer drew attention to the application form (attached as Appendix 1) and specifically Section 21, which had been completed incorrectly by the applicant. The Officer confirmed that the applicant **was** entitled to work in the UK (contrary to what was stated on the application form) and she had seen documentation to prove this.

The applicant attended the meeting to present his case and answered Members' questions.

Following which the applicant and the Licensing Officer left the meeting prior to the Committee's deliberations.

Councillor Brian Harvey asked if it would be possible to issue some form of conditional licence, however, after checking the relevant legislation the Lawyer confirmed that this would not be possible.

Following discussion, it was proposed by Councillor Ruth Allen that the application be approved and the license be granted and this was duly seconded by Councillor Bill Sadler. Upon being put to the vote and with 6 voting for the motion and with 3 against, it was

**RESOLVED:**

That the application for a Combined Hackney Carriage/Private Hire Driver's Licence be granted.

The applicant and the Licensing Officer then re-joined the meeting in order to be advised by the Lawyer of the Committee's decision.

The Chairman thanked the applicant for this attendance and wished him well from the Committee, he also advised the applicant to be careful and to consider the public at all times.

The meeting concluded at 6.37pm

## **1. Key issues and reasons for recommendation(s)**

### **1.0 Background**

- 1.1 Section 27 of the Policing and Crime Act 2009 provided adoptive provisions to allow local authorities to regulate lap dancing clubs and similar venues under the same regime as sex shops and sex cinemas. Specifically the 2009 Act reclassified lap dancing clubs and other similar venues as "sexual entertainment venues", as a sex establishment under Schedule 3 of the Local Government (Miscellaneous Provisions) Act 1982. Forest Heath passed a resolution to adopt these powers on the 9 March 2011 with effect from the 1 October 2011.
- 1.2 Sexual entertainment venues are defined as "any premises at which relevant entertainment is provided for a live audience for the financial gain of the organiser or performer". The meaning of relevant entertainment is "any live performance or live display of nudity which is of such a nature that, it must be reasonably assumed to be provided solely or principally for the purpose of sexually stimulating any member of an audience (whether by verbal or other means)".
- 1.3 In summary Schedule 3 (as amended) to the 1982 Act:
- Allowed local authorities to adopt the legislation.
  - Allows local people to oppose an application for a sex establishment licence if they have legitimate concerns that a lap dancing club would be inappropriate given the character of an area because, for example, the area was primarily a residential area (There is an exemption for premises that provide such entertainment on an infrequent basis).
  - Requires licences to be renewed at least yearly, at which point local people will have the opportunity to raise objections with the local authority.
  - Allows a local authority to reject a licence application if they believe that to grant a licence for a lap dancing club would be inappropriate given the character of a particular area.
  - Allows a local authority to set a limit on the number of sexual entertainment venues that they think appropriate for a particular area.
  - Allows a local authority to impose a wider range of conditions on the licences of lap dancing clubs than they are currently able to under the Licensing Act 2003.
- 1.4 In order to operate under this legislation best practice advised that the council adopt a policy for issue of licences and maintenance of sex establishments and approve a set of standard conditions to be applied to each licence, unless they are expressly excluded or varied.
- 1.5 The council has a Sex Establishment Licensing Policy which forms the basis of decisions when dispensing the Licensing Authority's functions in respect of sex shops, cinemas and sex entertainment venues (lap dancing clubs). The current policy has been referred to and empowered members to consider and determine applications for sex establishments, specifically a sex entertainment venue on a number of occasions.

- 1.6 A revised version of the policy was adopted at a meeting of Council on the 8 May 2013 following wide public consultation and full consideration of the feedback received.
- 1.7 Although Forest Heath DC and St. Edmundsbury are two separate licensing authorities, Officers are proposing a joint West Suffolk Councils Sex Establishment Licensing Policy, incorporating guidance and standard conditions. The proposed statement at **Appendix 1** is the first joint one and will require adoption, after consultation by both Councils.
- 1.8 For Forest Heath District Council, no significant changes are being made to the proposed policy at Appendix 1. It is largely 'as is' with only minor changes to enable it to become a joint document. Therefore the consultation will be on the basis of providing information on the proposed changes rather than inviting comment upon the actual policy wording which is not being altered. For St. Edmundsbury BC, the joint policy will completely replace that already in place and therefore consultation will be more in depth.

**West Suffolk**  
**Sex Establishment Licensing Policy**  
Incorporating Guidance and Standard Conditions

**Effective ?? ????????? 2016 until ?? ????????? 2021**  
**(Unless Revised Sooner)**

Working together, Forest Heath District Council and St Edmundsbury have developed this document with due regard to all available regulations, conditions, codes of practice, statutory guidance, practical experience of legislation and any consultee responses. Should anything in future publications, legislative/regulatory changes or case law impact upon the content of this policy document, then it will be taken into account and the document may be updated at a later stage and with due consideration to the resource implications for the Licensing Authority.

Throughout this Policy the term "The Councils" and "The Licensing Authority" should be read as jointly applying to both Councils Licensing Authority functions i.e. Forest Heath District Council and St. Edmundsbury Borough Council. Where the Statement applies to only one of the Councils, it will be stated which one.

## Preface

The West Suffolk Councils (Forest Heath District Council and St. Edmundsbury Borough Council) have adopted Schedule 3 to the Local Government (Miscellaneous Provisions) Act 1982 (as amended by section 27 of the Policing and Crime Act 2009) so that it can license sex shops, sex cinemas, and sexual entertainment venues in the District. In this policy, these are referred to as "sex establishments" unless otherwise stated.

The Councils recognise that Parliament has made it lawful to operate sex establishments, and that such businesses are a legitimate part of the retail and leisure industry. It is our role as a licensing authority to administer the licensing regime in accordance with the law.

The 1982 Act and 2009 Act can be viewed at [www.legislation.gov.uk](http://www.legislation.gov.uk)

Consultation on this policy was conducted taking account of representations from local residents and community groups; existing and potential holders of sex establishment licences in the area; relevant statutory bodies and representatives of premise licence holders under the Licensing Act 2003 within the area.

In developing this policy, the Council took into account the legal requirements of the 1982 Act and its duties under:

- a) section 17 of the Crime and Disorder Act 1998 - to take all reasonable steps to reduce crime and disorder within the District;
- b) the Regulators' Compliance Code (set out under the Legislative and Regulatory Reform Act 2006) - obligations not to impede economic progress by the regulations the Council set out and to particularly consider the impact of regulations on small businesses; and
- c) the Provision of Services Regulations 2009 to ensure requirements are:
  - i) non-discriminatory
  - ii) justified by an overriding reason relating to the public interest
  - iii) proportionate to that public interest objective
  - iv) clear and unambiguous
  - v) objective
  - vi) made public in advance, and
  - vii) transparent and accessible.

This revised version of the Policy took effect on ?? ?????? ?????? will be subject to periodic review.

This Policy sets out the principles the Council will generally apply when making decisions on applications. It also sets out information about the application process, what is expected of applicants and how people can make objections about applications. It also sets out the types of controls that are available to the Council, when decisions are made about licence applications; and explains what action can be taken if complaints are received.

## The West Suffolk councils

### Background

Forest Heath District Council and St Edmundsbury Borough Council are both district councils in terms of their functions and in 2011 both councils agreed to build on several years of informally sharing services by creating a West Suffolk partnership. The partnership is designed to retain each council's individual identity while having a single staff team working across the councils boundaries (and beyond, through working with other partners).

Since 2011 the West Suffolk councils have adopted several joint policies and strategies and also a shared constitution for West Suffolk which allows the councils to maintain their own local identity where appropriate whilst simplifying how meetings are conducted, decisions are made decision-makers are held to account. The constitution is considered the foundation of every council and the shared document ensures there is a consistent decision-making process throughout all areas of both councils.

The West Suffolk councils have also adopted a joint Strategic Plan which sets out the vision, priorities and key actions for West Suffolk. The specific actions for the shared vision and strategic priorities are contained in the West Suffolk Strategic Plan, available at: [www.westsuffolk.gov.uk/strategicplan](http://www.westsuffolk.gov.uk/strategicplan).

Further information about the services provided by the West Suffolk partnership can be found at [www.westsuffolk.gov.uk](http://www.westsuffolk.gov.uk).

### About the area

The area of West Suffolk comprises the council areas of Forest Heath and St Edmundsbury, two predominantly rural districts in the heart of East Anglia. Well-connected with London, the rest of East Anglia and the Midlands, West Suffolk is a safe and comparatively prosperous place in which to live. It also has some beautiful and accessible countryside areas, including grassland, heath and forest.

Forest Heath has three main market towns, Newmarket, Mildenhall and Brandon. St Edmundsbury has two: Bury St Edmunds and Haverhill.

Bury St Edmunds, the largest settlement in West Suffolk, has been a prosperous town for centuries, with people drawn to its market and Georgian architecture, shops, leisure and cultural facilities.

Newmarket is known as the 'home of horseracing'. It has more racehorses, trainers, stable staff, stud farms and racing organisations in and around the town than anywhere else in the world, with racing accounting for a significant number of local jobs.

Haverhill, Mildenhall and Brandon expanded significantly in the 1970s due to the construction of new housing to accommodate families moving as part of the Greater London Council's expansion programme.

Today, West Suffolk has a thriving, diverse economy, embracing a number of business sectors. These include tourism, food and drink, life sciences and advanced manufacturing, including a number of businesses trading with the two major US Air Force bases in West Suffolk.

In all of West Suffolk's towns and rural areas, many of the residents benefit from a good quality of life. However, some areas have suffered more than others from the impact of the economic downturn, and others are facing issues such as: rural isolation; a lack of skills or qualifications amongst young people; an ageing population with some in need of more specialist housing or care; poverty; or health deprivation.

## **Population**

- In 2013, the population of West Suffolk was 173,000 (61,200 in Forest Heath, 111,800 in St Edmundsbury), (Office for National Statistics mid year estimates 2013).
- Between 2012 and 2013, the population of Forest Heath grew by 0.8% and the population of St Edmundsbury grew by 0.2% (Office for National Statistics mid year estimates 2013).
- West Suffolk has an ageing population. In 2011, 18% of the population were aged over 65, compared to an England average of 16.3% (Census 2011).
- Forest Heath is the most ethnically diverse district in Suffolk. In 2011 it had the smallest percentage of White (Eng/Welsh/Scot/NI) people - 77.2% compared to a Great Britain average of 80.5% (Census 2011).
- St Edmundsbury's percentage of White (Eng/Welsh/Scot/NI) people was 91.6% in 2011 (Census 2011).
- In 2011, 48.1% of Forest Heath's population considered themselves to be in good health and the percentage of people in St Edmundsbury who considered themselves to be in good health was 47.3% (Census 2011).
- West Suffolk's households are spread across a large rural area, plus five main settlements. The distribution of the population is: villages and outlying areas 38%; Bury St Edmunds 25.5%; Haverhill 15%; Newmarket 10.5%; Brandon 6% and Mildenhall 5% (Census, 2011).

## Economy and skills

- As at March 2015, 83% of Forest Heath and 87.1% of St Edmundsbury's 16-64 year olds were economically active compared to 77.4% in Great Britain as a whole (ONS Annual population survey).
- In 2013, 83% of West Suffolk employees worked in services, 11% worked in manufacturing and 3.5% worked in construction (ONS Business Register & Employment Survey).
- In 2014, the percentage of residents aged over 16 with at least NVQ Level 1 or equivalent qualifications in Forest Heath was 70.4% and in St Edmundsbury was 87.8%, compared to an England average of 85% (ONS Annual Population Survey).
- In 2013, the proportion of young people achieving 5+ A\*-C GCSEs including English and Maths was 48.8% in Forest Heath and 60.4% in St Edmundsbury, compared to an England average of 60.9% (Department for Education)

Further information and more recent statistics may be obtained from the councils Economic Development and Growth Team ([economic.development@westsuffolk.gov.uk](mailto:economic.development@westsuffolk.gov.uk))

- Between 2001 and 2011, the number of households in Forest Heath increased by 4.12% and in St Edmundsbury by 8.53%, compared to an England and Wales average of 3.40% (Census 2011)
- In 2014, the ratio of lower quartile earnings to lower quartile house prices was 1:9.9 in Forest Heath and 1:11.7 in St Edmundsbury. The England average was 1:6.59 (HM Land Registry)
- In June 2014, the average cost of renting a home in Forest Heath was £832 per month and in St Edmundsbury it was £700 per month. The average for Suffolk was £589 per month and England was £728 per month (National Housing Federation)
- In 2013/14 the rate of homelessness in Forest Heath was 2.7 households per 1,000 and in St Edmundsbury it was 4.3 households per 1,000, compared to an England average of 2.3 households per 1,000 (DCLG 2014)

3.8 The above list is not exhaustive and as the understanding of the exact nature of these descriptions may vary, they should only be treated as indicative. Ultimately, decisions to licence premises as Sexual Entertainment Venues shall depend on the content of the entertainment provided and not the name it is given.

#### **4.0 Sexual Entertainment Venues - exceptions**

4.1 Schedule 3, Paragraph 2A (3) of the 1982 Act defines those premises that are not Sexual Entertainment Venues. These are:

- Sex Shops and Sex Cinemas (which are separately defined in Schedule 3 to the 1982 Act)
- Premises which provide Relevant Entertainment on an infrequent basis. These are defined as premises where:-
  - a) no Relevant Entertainment has been provided on more than 11 occasions within a 12 month period;
  - b) no such occasions has begun within a period of one month beginning with the end of the previous occasions; and
  - c) no such occasion has lasted longer than 24 hours.
  - d) Other premises or types of performances or displays exempted by an Order of the Secretary of State.

- 4.2 Premises which:
- provide Relevant Entertainment on an infrequent basis or
  - provide any form of adult entertainment which falls outside the definition of Relevant Entertainment will continue to be regulated under the Licensing Act 2003, insofar as they are providing Regulated Entertainment under that Act.

## **5.0 Requirement for a Licence**

- 5.1 Any person wishing to operate a sex establishment as defined by Schedule 3 requires a sex establishment licence, unless the requirement for a licence has been waived by the appropriate authority.
- 5.2 A licence would normally be granted for a period of one year; however the Council may exercise its discretion to issue a licence for a shorter period if deemed appropriate.

## **6.0 Location of Licensed Premises**

- 6.1 The Council acknowledges that a concentration of licensed premises in a particular area can result in a potential fear of crime, anti-social behaviour, noise pollution and other disturbance to residents. In such cases the amenity of local residents can be placed under severe pressure.
- 6.2 The Council have not imposed a limit on the number of premises that may be licensed in any area, nor identified any exclusion zones for the purpose of applying for a sex establishment licence.
- 6.3 The Council will not normally grant a licence where any premises within the vicinity are used for the following:
- (a) school;
  - (b) place of worship;
  - (c) family leisure;
  - (d) domestic residential buildings;
  - (e) important historic buildings;
  - (f) youth facilities;
  - (g) important public and cultural facilities.
- 6.3.1 In other instances, the Council will consider this ground of refusal on the merits of the individual case.
- 6.3.2 The precise extent of vicinity will be determined in the light of the precise location of any application and any representations made in response thereto.
- 6.3.3 In deciding whether such premises are in the vicinity of the application site, the Council will not use a pre-determined distance, but will consider each case on its individual merits, and will take account of its

local knowledge where appropriate. In determining the issue, it will take account of:

- (a) distance,
- (b) intervisibility,
- (c) linkages between them, including whether the premises and application site are connected by well-used walking routes;
- (d) any visual or physical barriers between them.

6.3.4 In considering the application of this policy to domestic residential buildings, the Council will take into account the number of such buildings, their density, their primary use, the number of dwelling units they comprise and their distance from the application site.”.

6.4 Applications in respect of premises must state the full address of the premises. Applications in respect of a vehicle, vessel or stall must state where it is to be used as a sex establishment.

6.5 The Council would normally expect that applications for licences for permanent commercial premises should be from businesses with appropriate planning consent for the property concerned.

## **7.0 Making an application**

7.1 An application for the grant, renewal, transfer or variation of a licence must be made in writing to the Council in accordance with the requirements shown in Appendix A.

7.2 In keeping with the Council’s policy on the introduction of e-Government, the council consents to applications and other notices being given electronically. The address at which the Council will accept applications and notices is;-

web: [www.westsuffolk.gov.uk](http://www.westsuffolk.gov.uk)

7.3 A specimen application form and notice for public advertisement is attached in Appendices B and C.

7.4 A copy of the application must be submitted to the Chief Officer of Police within 7 days of submitting the application to the Licensing Authority.

## **8.0 Fees**

8.1 The application process involves paying a non-returnable application fee.

8.2 The current schedule of fees for the licensing of sex establishments is shown in Appendix D.

8.3 Fees are reviewed annually against any rise in Council costs of administering the licensing regime.

## **9.0 Advice and Guidance**

9.1 The Council will seek to liaise with applicants and/or mediate between applicants and others who may make objections, to achieve a satisfactory outcome for all involved, wherever possible and where resources permit.

9.2 Where an applicant considers that mediation and liaison may be likely or probable, it is recommended that the applicant discusses their proposals with the licensing section and those from whom they think objections are likely prior to submitting their application.

## **10.0 Grant, renewal or transfer of licences**

10.1 The Council may grant to any applicant and renew a licence for the use of any premises as a 'sex establishment' on such terms and conditions as specified by the council. (Refer to '16 – Conditions' and Appendices B and E).

10.2 Decisions regarding, the grant, renewal or transfer of a licence will be dealt with by either a Full or Sub Committee or Officers in accordance with the Schedule of Delegated Decisions in Appendix H.

10.3 A licence will remain in force for one year, or such shorter period specified in the licence, unless previously cancelled or revoked.

10.4 The Council may, if it thinks fit, transfer a licence to any other person upon application by that person.

10.5 Where an application for renewal or transfer of a licence is made before the date of expiry of the existing licence, the licence shall remain in force until such time as the application has been determined.

10.6 Where applications for licences have been granted, the Council will send the licence to applicants by post.

## **11.0 Waivers**

- 11.1 The Council do not consider it appropriate to permit waivers from the requirements to hold a sex establishment licence, except in extreme and exceptional circumstances considered by the Licensing Committee (for example, to allow a temporary re-location of a business following damage to licensed premises).
- 11.2 Each application for a waiver will be considered on its individual merits. However, any establishment that would normally require licensing under the provisions of the 1982 Act is unlikely to be granted a waiver.
- 11.3 In order for a waiver to be considered, an applicant must provide the basic information included in the application form, and any other information the authority may reasonably require in order to make its decision.
- 11.4 A waiver may be for such period as the Council sees fit. Where the Council grants an application for a waiver, notice will be given to the applicant stating that it has granted the application. The Authority may at any time give a person who would require a licence, notice that the waiver is to terminate, on such date not less than 28 days from the date on which it gives the notice, or as may be specified in the notice.

## **12.0 Amendments to the Licensing Act 2003**

- 12.1 Premises holding a sexual entertainment venue licence will not require a premises licence under the Licensing Act 2003 (as amended) unless the premises is carrying on other licensable activities e.g. the sale of alcohol or the provision of regulated entertainment.
- 12.2 Live music or the playing of recorded music which is integral to the provision of relevant entertainment, such as lap dancing, for which a sexual entertainment licence is required, is specifically excluded from the definition of regulated entertainment in the Licensing Act 2003 (as amended).

## **13.0 Exchange of Information**

- 13.1 Forest Heath District Council may from time to time exercise its powers under Section 115 of the Crime and Disorder Act 1998 to exchange information with the police and other partners to fulfil its' statutory objective of reducing crime in the area.
- 13.2 Details of applications and objections which are referred to a Licensing Committee for determination will be published in reports that are made publicly available in accordance with the Local Government Act 1972 and the Freedom of Information Act 2000.
- 13.3 The name and address of objectors will not be disclosed to applicants or published in public reports in accordance with schedule 3, paragraph 10 (17) Local Government (Miscellaneous Provisions) Act 1982, as amended by the Policing and Crime Act 2009. Such details will be

made available to Councillors on the Licensing Committee.

#### **14.0 Variation of licences**

14.1 The holder of a licence may apply to the Council to vary the terms, conditions or restrictions on or subject to which the licence is held.

#### **15.0 Commenting on licence applications / Making objections**

15.1 Unlike some other licensing regimes (such as for alcohol, entertainment or gambling), a wide range of people can raise objections about sex establishments licences. The Police are a statutory consultee for all applications.

15.2 Although applicants are only required to provide notice of the application to the Police, the Council will endeavour to list applications on its website and notify the following partner authorities of accepted applications made:

- Suffolk Constabulary
- Environmental Health (West Suffolk Councils)
- Planning Services (West Suffolk Councils)
- Families and Communities ((West Suffolk Councils)
- Parish or Town Council
- District or Borough Councillor (Ward Member)
- Suffolk Fire Service

15.3 Objectors should have something to say which is relevant to consideration of the statutory grounds for refusal that are set out in the 1982 Act; see appendix F.

15.4 The Council takes the following approach to deciding applications:

- (a) each case will be decided upon its merits. This Authority will not apply a rigid rule to its decision making;
- (b) objectors can include residents'/tenants' associations, community associations, and trade associations. Councillors and MPs may also raise objections. Elected councillors may represent interested parties, providing they do not also sit on the Licensing Committee determining the application in question;
- (c) clear reasons for its decision will always be given.

15.5 The Council will not consider objections that are frivolous or vexatious, or which relate to moral grounds (as these are outside the scope of the 1982 Act). Decisions on whether objections are frivolous or vexatious will be made objectively by Officers. A report will be submitted in advance of any licence hearing that will outline the application and indicate the general grounds of representations.

- 15.6 A vexatious objection is generally taken as being one which is repetitive, without foundation or made for some other reason such as malice. A frivolous objection is generally taken to be one that is lacking in seriousness.
- 15.7 Objections will be considered at a hearing either by the full Licensing Committee or a Licensing Sub Committee. Both applicants and objectors will be given an equal opportunity to state their case in accordance with the Council's hearing procedure, a copy of which can be found in appendix G.
- 15.8 Objections should ideally:
- be made in writing (this will include submissions electronically)
  - be in black ink on single sides of A4 paper
  - indicate the name and address of the persons or organisations making the representation
  - indicate the premises to which the objection relates
  - indicate the proximity of the premises to the person making the objection. A sketch map or plan may be helpful to show this
  - clearly set out the reasons for making the objections.
- 15.9 Petitions must clearly state the name and address of the premises application being objected to. The full objection that people are signing to say they agree with must be at the top of the petition. The objection must be in line with the requirements of the legislation. The names and address of those signing the petition should be provided and should be legible, together with a signature.
- 15.10 The Council must be confident that those signing the petition were aware of what they were signing for. So in the interest of clarity for those signing, best practice would be to have the objection at the top of each page; especially where several people are involved in collecting signatures.
- 15.11 It should be noted that submissions to the Council may also be in support of an application. These should contain the same information as stated above.
- 15.12 Objections may only be made within the period of 28 days following the date on which the application was given to the Council.
- 15.13 The Council will not consider any objection that does not contain the name and address of the person making it. (Refer also to 9.3 above).

- 15.14 Where objections are made, the Council will provide copies to the applicant. The Council will not divulge the identity of the objector(s) to the applicant without their permission to do so.
- 15.15 Where objections are made and not withdrawn, a hearing before the full Licensing Committee or delegated to a Licensing Sub Committee of three Councillors will normally be held within 20 working days of the end of the period in which objections might be made, unless all parties agree that a hearing is unnecessary.
- 15.16 In all cases, applicants who are genuinely aggrieved by a decision of the Council are entitled to appeal to the Magistrates' Court.
- 15.17 In the case of first or new applications, where no objections are made, the Council will grant the licence subject to terms and conditions that are consistent with the type and operation of the sex establishment (Please refer to '13 - Conditions').

## **16.0 Determining applications**

- 16.1 When considering applications, the Council will have regard to:
- a) the Local Government (Miscellaneous Provisions) Act 1982, as amended;
  - b) any supporting regulations;
  - c) this licensing policy
- Refer also to Appendix F
- 16.2 This does not, however, undermine the rights of any person to apply for a licence and have the application considered on its individual merits, nor does it override the right of any person to make objections on any application where they are permitted to do so under the Act.
- 16.3 When determining applications, the Council will take account of any comments made by the Chief Officer of Police and any objections made.
- 16.4 In all cases, the Council reserves the right to consider each application on its own merit.

## **17.0. Conditions**

- 17.1 The standard conditions that may be attached to a licence are shown in Appendix E. It is an offence to breach the conditions and the penalty for this is a fine not exceeding £20,000.
- 17.2 The Council recognises that all applications should be considered on an individual basis and any additional conditions attached to such a licence

will be tailored to suit each individual premise.

17.3 No condition will be imposed that cannot be shown to be necessary.

17.4 Where it is reasonable and necessary to do so, the Licensing Committee will impose additional proportional conditions on a licence. Wherever possible, these will be discussed in advance with operators by Licensing Officers.

### **18.0 Refusal of licences**

18.1 Except where the Council are prohibited from granting, renewing, varying or transferring a licence, the Council will not refuse a licence without first:

- a) Notifying the applicant or holder of the licence in writing of the reasons; and,
- b) Giving the applicant or holder of the licence the opportunity of appearing and making representations before a Licensing Committee.

18.2 The circumstances in which the Council must or may refuse a licence are shown in Appendix F.

### **19.0 Revocation of licences**

19.1 The Council may revoke a licence:

- a) on any grounds specified in paragraph 1 of Appendix F to this policy;
- b) on either of the grounds specified in paragraph 3 (a) and (b) of Appendix F of this policy. The Council will not revoke a licence without first giving the holder of the licence the opportunity of appearing and making representations before a Licensing Committee.

### **20.0 Cancellation of licences**

20.1 The licence holder may surrender the licence at any time and may request in writing for the Council to cancel the licence.

20.2 In the event of the death of a licence holder, the licence will be deemed to have been granted to his personal representatives and will remain in force for 3 months from the date of death, unless previously revoked.

20.3 Where the Council are satisfied that it is necessary for the purpose of winding up the estate of the deceased licence holder, it may extend or further extend the period in which the licence remains in force.

### **21.0 Right to appeal a decision**

- 21.1 If an application is refused, or revoked, following a hearing, then the applicant will be informed of the decision and whether there is any right of appeal.
- 21.2 Appeals must be made to the local Magistrates' Court within 21 days, starting from the date the applicant is notified of the Council's decision. The notice will advise the address of the appropriate Magistrates' Court to which such an appeal should be submitted. It should be noted that a fee may be payable to the Magistrates to lodge such an appeal,
- 21.3 Applicants can appeal against the refusal of a grant, renewal, variation or transfer application, or against the decision to revoke a licence. They can also appeal against conditions or restrictions imposed.
- 21.4 Please note that you cannot appeal against the Council's decision if the application was refused on the grounds that:
- The number of sex establishments (if a limit is set - see paragraph 6.2), or of sex establishments of a particular kind, in the relevant locality at the time the application is determined is equal to or exceeds the number which the authority consider is appropriate for that locality; or
  - The grant of the licence would be inappropriate considering the character of the area, the nature of other premises in the area, or the premises themselves.
- 21.5 The Magistrates' Court will determine the appeal application. If you do not agree with the decision made by the Magistrates' Court, you can appeal to Crown Court. The decision made by the Crown Court will be final. The Council must comply with a decision made by a Magistrates or Crown Court.

## **22.0 Complaints**

- 22.1 Where possible and appropriate, the Council will give early warning to licence holders of any concerns about problems identified at premises and of the need for improvement.

## **23.0 Enforcement**

- 23.1 The Council is responsible for the administration and enforcement of the licensing regime and will have regard to the Department of Business Enterprise & Regulatory Reform's Regulators Compliance Code and the Better Regulation Commission's five Principles of Good Regulation. The Council will carry out its regulatory functions in a fair, open and consistent manner.
- 23.2 Specifically, the Council will:

- a) be proportionate – to only intervene when necessary and remedies will be appropriate to the risk posed;
  - b) be accountable – to justify decisions, be subject to public scrutiny and allow opportunities to resolve differences before enforcement action is taken, unless immediate action is needed;
  - c) be consistent – to implement rules and standards fairly;
  - d) be transparent – to be open and to provide clear explanations of what is needed, by when and the rights of appeal;
  - e) target its regulatory action at cases in which action is needed.
- 23.3 The Council recognises the interests of both citizens and businesses and will work closely, with partners, to assist licence holders to comply with the law and the conditions attached to the licence.
- 23.4 However, proportionate but firm action will be taken against those who commit serious offences or consistently break the law or breach conditions of the licence.
- 23.5 The Council has set clear standards of service and performance that the public and businesses can expect. In particular, an enforcement policy has been created that explains how the Council will undertake its role and how the principles of effective enforcement will be achieved.
- 23.6 This policy is freely available from the licensing section, as are details of the Council's corporate complaints procedures, both of which can be viewed on the Council's website: [www.forest-heath.gov.uk](http://www.forest-heath.gov.uk)

Schedule 3 of the 1982 Act allows local authorities to set fees for licences of this kind. The current scale of fees\*# is:

For an application for the grant of a (new) licence	£3000.00
For an application for the renewal of a licence	£1400.00
For an application for the transfer of a licence	£350.00
For an application to vary a licence	£3000.00
