1. Key issues

- 1.1 An application was received, on the 28 September 2017, from Newmarket Entertainment Ltd in respect of Heaven, 109 High Street, Newmarket, Suffolk CB8 8JH. The application seeks to renew the Sex Establishment Licence (Sexual Entertainment Venue). The premises have been trading since April 2006, and have held a Sexual Entertainment Venue (SEV) since the 1 October 2012.
- 1.2 In addition to the renewal, a plan has been submitted which shows the new position of the changing room.
- 1.3 Also the applicant has requested a variation to Part V condition 13 to read - *At all times, performers will have access to a new secure changing room situated on the ground floor 20 feet from the stage and away from public view.*
- 1.4 A copy of the application can be found at **Appendix 1**, and the plan at **Appendix 2**. The operating schedule and club rules are unchanged.
- 1.5 The licence allows the use as a sexual entertainment venue during the following Hours:

Monday to Wednesday:	10.00am to 02:00am
Thursday to Saturday:	10.00am to 03:20am
Sunday:	12.00pm to 03.00am

These times are within those currently allowed under the Licensing Act 2003 premises licence.

2. Supporting information

- 2.1 Forest Heath Council has previously adopted the provisions of Schedule 3 of the Local Government (Miscellaneous Provisions) Act 1982 (LGMPA) in relation to the licensing of sex establishments, as amended by Section 27 Policing and Crime Act 2009. The Policing and Crime Act 2009 amended the 1982 Act, in so far as it related to the licensing of sex establishments, by adding the new category of 'sexual entertainment venue'.
- 2.2 The business currently holds a premises licence issued under the provisions of the Licensing Act 2003, which allows the sale of alcohol and regulated entertainment. The hours being applied for are within those of the existing premises licence.
- 2.3 Any SEV licence granted will be held for a period of one year and be renewable annually.
- 2.4 The Cumulative Impact policy, mentioned in the objection from Newmarket Town Council, only relates to Licensing Act applications not this renewal under the Local Government (Miscellaneous Provisions) Act 1982 as amended by section 27 of the Policing and Crime Act 2009.
- 2.5 The premises and the new changing room lay out was inspected on 14 September 2017 by a Licensing Enforcement Officer. The changing room is now situated on the ground floor, entrance is through the same door as before and then a second door into the changing room itself.

3. Policy Considerations

- 3.1 The Council's current Sex Establishment Licensing Policy was revised and readopted on the 14 February 2017 and a copy can be found in **Appendix 3**. The policy sets out the general principles and criteria the Council would normally apply when making decisions on applications, providing the framework for applications, objections and the regulation of such premises.
- 3.2 The Council has a discretion to refuse to grant or renew licences for sex establishments on the grounds that the licence would be inappropriate having regard to the character of the locality or the use of premises in the vicinity.
- 3.3 The Council has not imposed a limit on the number of premises that may be licensed in any area, nor identified any exclusion zones for the purpose of applying for a sex establishment licence.
- 3.4 Each application will be treated on its own merits.

4. Standard conditions

- 4.1 The Act provides the ability for conditions to be attached to a licence. Standard conditions have been agreed as part of the Council's Sex Establishment Licensing Policy. At the applicant's request, Members granted the following amendment to conditions:
- 4.2 The standard conditions for sex establishments also includes conditions relating to the external appearance:

"20...No display, advertisement, word, letter, model, sign, light, placard, board, notice, device, representation, photograph, drawing, writing or any matter or thing (whether illuminated or not) shall be exhibited so as to be visible from outside the premises except:

- i) A sign or notice no larger than A2 (420 × 594mm) in size, bearing the name of the establishment; or*
- ii) Other sign/notice required to be displayed so as to be visible from outside the premises by law, or by any condition of a licence granted by the Council.*
- iii) Such display, advertisement, word, letter, model, sign, light, placard, board, notice, device, representation, drawing, writing, or any matter or thing as shall have been approved by the Council."*

The current sign at the premises was granted dispensation from complying with the standard condition above upon renewal in 2013. In renewing the applicant is effectively seeking continued dispensation for the current sign to remain. The sign's dimensions are 2300mm x 1500mm.

- 4.3 The renewal this year includes a new plan which shows the layout of the new changing room which can be seen at **Appendix 2**. The actual entertainment area remains as before.

- 4.4 The applicants have also requested a change to condition 13.

The condition currently reads '*At all times during the performance, performers shall have direct access to a dressing room without passing through or in close proximity to the audience.*'

The request is for it to read '*At all times performers will have access to a new secure changing room situated on the ground floor 20 feet from the stage and away from public view.*'

- 4.4 Where Members feel necessary they may also attach any other conditions to answer any concerns that have been raised.

5. Representations

- 5.1 Suffolk Constabulary is the only statutory consultee and their comments can be seen at **Appendix 4**.

- 5.2 Representations have been received following the advertisement and consultation of this application. These representations can be found in **Appendices 5 and 6**. Where the consent of the writer has not been given or is absent the names and address details have been redacted.

- 5.3 No other representations for or against the application have been received.

6. Human Rights Impact

- 6.1 A licence is to be regarded as the property of the applicant. However their right to the use of that property must also be balanced against any other public interests in this matter.

- 6.2 When making their decision Members must give consideration to the rights that applicants have under the European Convention on Human Rights. Article 1 (entitlement of every person to peaceful enjoyment of their possessions) and Article 10 (freedom of expression) are particular rights that may be relevant.

- 6.3 Members should consider whether interference with these rights is necessary and proportionate for the prevention of crime or disorder, for the protection of health or morals or for the protection of the rights and freedoms of others or, in the case of Article 1, whether interference can be justified in the general interest.

7. Consultation

- 7.1 The applicant has correctly advertised the application by means of a public notice in a locally circulating newspaper and also through the posting of a notice in a convenient to read location at the premises.

- 7.2 The application has been consulted upon in accordance with paragraph 15.2 of the Councils Sex Establishment Licensing Policy.

8. Financial and resource implications

- 8.1 There is no right of appeal against a refusal to grant a licence for the reasons identified in Paragraph viii or ix in section 10.2 below. Refusal on any other

grounds can be appealed to the Magistrates Court within 21 days. A decision to refuse a licence must be relevant to one or more of the above grounds and the decision must be necessary and proportionate.

- 8.2 Given the right of appeal against the decision to the Magistrates' Court, and potentially to the Crown Court, the costs of any such proceedings could be awarded against the Council if any appeals were upheld. It is felt that this is unlikely if the Council's decision was made in good faith and could be justified under our policy. There are no other cost implications.

9. Legal and policy implications

- 9.1 In considering this duty the Members should have due regard to the submissions made by the applicant and any objectors, the Local Government (Miscellaneous Provisions) Act 1982, and the Council's own Sex Establishment Licensing Policy.

- 9.2 Paragraph 12 of Schedule 3 of the 1982 Act sets out the grounds for refusing an application for the grant, renewal or transfer of a licence. A licence must not be granted:

- i) to a person under the age of 18;
- ii) to a person who is for the time being disqualified due to the person having had a previous licence revoked in the area of the appropriate authority within the last 12 months;
- iii) to a person, other than a body corporate, who is not resident in a European Economic Area (EEA) State, or was not so resident throughout the period of six months immediately preceding the date when the application was made;
- iv) to a body corporate which is not incorporated in an EEA State;
- v) to a person who has, within a period of 12 months immediately preceding the date when the application was made, been refused the grant or renewal of a licence for the licensed premises, vehicle, vessel or stall in respect of which the application is made, unless the refusal has been reversed on appeal;
- vi) if the applicant is unsuitable to hold the licence by reason of having been convicted of an offence or for any other reason;
- vii) if the licence were to be granted, renewed or transferred, the business to which it related would be managed by or carried on for the benefit of a person, other than the applicant, who would be refused the grant, renewal or transfer of such a licence if he made the application himself;
- viii) if the number of sex establishments, or of sex establishments of a particular kind, in the relevant locality at the time the application is determined is equal to, or exceeds the number which the authority consider is appropriate for that locality;
- ix) that the grant or renewal of the licence would be inappropriate having regard:
 - to the character of the relevant locality; or
 - to the use to which any premises in the vicinity are put; or
 - to the layout, character or condition of the premises, vehicle, vessel or stall in respect of which the application is made.

- 9.3 Appropriate checks have been made and refusal on the grounds listed above cannot be used, other than those that relate to paragraph 10.2(ix); it is for Members to consider if the application is consistent with the policy under this criteria.

Preface

Forest Heath District Council and St. Edmundsbury Borough Council (West Suffolk councils) have adopted Schedule 3 to the Local Government (Miscellaneous Provisions) Act 1982 (as amended by section 27 of the Policing and Crime Act 2009) so that it can license sex shops, sex cinemas, and sexual entertainment venues in the local authority area. In this policy, these are referred to as "sex establishments" unless otherwise stated.

The West Suffolk councils recognise that Parliament has made it lawful to operate sex establishments, and that such businesses are a legitimate part of the retail and leisure industry. It is West Suffolk councils role as licensing authorities to administer the licensing regime in accordance with the law.

The 1982 Act and 2009 Act can be viewed at www.legislation.gov.uk

Consultation on this policy was conducted taking account of representations from local residents and community groups; existing and potential holders of sex establishment licences in the area; relevant statutory bodies and representatives of premise licence holders under the Licensing Act 2003 within the area.

In developing this policy, the West Suffolk councils took into account the legal requirements of the 1982 Act and its duties under:

- a) section 17 of the Crime and Disorder Act 1998 - to take all reasonable steps to reduce crime and disorder within West Suffolk;
- b) the Regulators' Compliance Code (set out under the Legislative and Regulatory Reform Act 2006) - obligations not to impede economic progress by the regulations the West Suffolk councils set out and to particularly consider the impact of regulations on small businesses; and
- c) the Provision of Services Regulations 2009 to ensure requirements are:
 - i) non-discriminatory
 - ii) justified by an overriding reason relating to the public interest
 - iii) proportionate to that public interest objective
 - iv) clear and unambiguous
 - v) objective
 - vi) made public in advance, and
 - vii) transparent and accessible.

This Policy took effect in February 2017 and will be subject to periodic review.

This Policy sets out the principles the West Suffolk councils will generally apply when making decisions on applications. It also sets out information about the application process, what is expected of applicants and how people can make objections about applications. It also sets out the types of controls that are available to the councils, when decisions are made about licence applications and explains what action can be taken if complaints are received.

1.0 Introduction

1.1 The West Suffolk councils have adopted Schedule 3 to the Local Government (Miscellaneous Provisions) Act 1982 (as amended by section 27 of the Policing and Crime Act 2009) in order to licence sex shops, sex cinemas, and sexual entertainment venues in West Suffolk.

This Sex Establishment Licensing Policy sets out the West Suffolk councils requirement for premises to be licensed as 'sex establishments' within the meaning of the Act (as amended).

1.2 This document relates to applications in respect of:

- Sex cinemas
- Sex shops
- Sexual entertainment venues

1.3 The advice and guidance contained in the appendices attached to this policy is intended only to assist readers in understanding the policy and should not be interpreted as legal advice or as constituent of the West Suffolk councils statement of Sex Establishment Licensing Policy.

1.4 Readers are strongly advised to seek their own legal advice if they are unsure of the requirements of the Local Government (Miscellaneous Provisions) Act 1982 or Schedules under the Act.

2.0 Purpose of the Sex Establishment Licensing Policy

2.1 The purpose of this Statement of Licensing Policy is to:

- inform the elected Members serving on the Licensing Committee of the parameters within which licensing decisions can be made;
- inform applicants, residents and businesses of the parameters within which the Licensing Authority will make licensing decisions;
- inform residents and businesses about how the Licensing Authority will make licensing decisions; and
- provide a basis for decisions made by the Licensing Authority if these decisions are challenged in a court of law.
- link into the wider context of services/strategies which provide support for individuals that encourage a safer experience in West Suffolk.

3.0 Key terms

3.1 **Premises** include any vessel, vehicle or stall but do not include a private dwelling to which the public are not admitted.

3.2 **Sex Article** means

- a) anything made for use in connection with, or for the purpose of stimulating or encouraging:
 - i) sexual activity;
 - ii) acts of force or restraint which are associated with sexual activity, and
- b) anything:
 - i) containing or embodying matter to be read or looked at or anything intended to be used, either alone or as one of a set, for the reproduction or manufacture of any such article; and
 - ii) to any recording of vision or sound, which –
 - a) is concerned primarily with the portrayal of, or primarily deals with or relates to, or is intended to stimulate or encourage, sexual activity or acts of force or restraint which are associated with sexual activity; or
 - b) is concerned primarily with the portrayal of, or primarily deals with or relates to, genital organs, or urinary or excretory functions.

3.3 **Sex Cinema** means any premises, vehicle, vessel or stall used to a significant degree for the exhibition of moving pictures, by whatever means produced, which

- a) are concerned primarily with the portrayal of, or primarily deal with or relate to, or are intended to stimulate or encourage:-
 - i) sexual activity;
 - ii) acts of force or restraint which are associated with sexual activity.
- b) are concerned primarily with the portrayal of, or primarily deal with or relate to, genital organs or urinary or excretory functions,

but does not include a dwelling-house to which the public is not admitted.

3.4 **Sex Establishment** means a Sexual Entertainment Venue, Sex Cinema or a Sex Shop as appropriate.

3.5 **Sex Shop** means any premises, vehicle or vessel or stall used for a business which consists to a significant degree of selling, hiring, exchanging, lending, displaying, or demonstrating:

- a) sex articles;
- b) other things intended for use in connection with, or for the purpose of stimulating or encouraging:-
 - i) sexual activity
 - ii) acts of force or restraint which are associated with sexual activity.

3.6 **Sexual Entertainment Venue** means any premises at which Relevant Entertainment is provided before a live audience for the financial gain

of the organiser or the entertainer (subject to the exceptions set out in paragraph 4.1 below).

- 3.7 **Relevant Entertainment** means any live performance or live display of Nudity which is of such a nature that, ignoring financial gain, it must reasonably be assumed to be provided solely or principally for the purpose of sexually stimulating any member of an audience (whether by verbal or other means).
An audience can consist of just one person (e.g. where the entertainment takes place in private booths).

- 3.6 **Nudity** means:

In the case of a woman: exposure of her nipples, pubic area, genitals or anus; and

In the case of a man: exposure of his pubic area, genitals or anus.

- 3.7 **Relevant Entertainment**

The West Suffolk councils will judge each case of its merits and the definition of Relevant Entertainment will apply to the following forms of entertainment as they are commonly understood:

- Lap dancing
- Pole dancing
- Table dancing
- Strip shows
- Peep shows
- Live sex shows

- 3.8 The above list is not exhaustive and as the understanding of the exact nature of these descriptions may vary, they should only be treated as indicative. Ultimately, decisions to licence premises as Sexual Entertainment Venues shall depend on the content of the entertainment provided and not the name it is given.

4.0 Sexual Entertainment Venues - exceptions

- 4.1 Schedule 3, Paragraph 2A (3) of the 1982 Act defines those premises that are not Sexual Entertainment Venues. These are:

- Sex Shops and Sex Cinemas (which are separately defined in Schedule 3 to the 1982 Act)
- Premises which provide Relevant Entertainment on an infrequent basis. These are defined as premises where:-
 - a) no Relevant Entertainment has been provided on more than 11 occasions within a 12 month period;
 - b) no such occasions has begun within a period of one month beginning with the end of the previous occasions; and
 - c) no such occasion has lasted longer than 24 hours.

- d) Other premises or types of performances or displays exempted by an Order of the Secretary of State.

4.2 Premises which:

- provide Relevant Entertainment on an infrequent basis or
- provide any form of adult entertainment which falls outside the definition of Relevant Entertainment will continue to be regulated under the Licensing Act 2003, insofar as they are providing Regulated Entertainment under that Act.

5.0 Requirement for a Licence

5.1 Any person wishing to operate a sex establishment as defined by Schedule 3 requires a sex establishment licence, unless the requirement for a licence has been waived by the appropriate authority.

5.2 A licence would normally be granted for a period of one year; however the West Suffolk councils may exercise their discretion to issue a licence for a shorter period if deemed appropriate.

6.0 Location of Licensed Premises

6.1 The West Suffolk councils acknowledge that a concentration of licensed premises in a particular area can result in a potential fear of crime, anti-social behaviour, noise pollution and other disturbance to residents. In such cases the amenity of local residents can be placed under severe pressure.

6.2 The West Suffolk councils have not imposed a limit on the number of premises that may be licensed in any area, nor identified any exclusion zones for the purpose of applying for a sex establishment licence.

6.3 The West Suffolk councils will not normally grant a licence where any premises within the vicinity are used for the following:

- (a) school;
- (b) place of worship;
- (c) family leisure;
- (d) domestic residential buildings;
- (e) important historic buildings;
- (f) youth facilities;
- (g) important public and cultural facilities.

6.3.1 In other instances, the West Suffolk councils will consider this ground of refusal on the merits of the individual case.

6.3.2 The precise extent of vicinity will be determined in the light of the precise location of any application and any representations made in response thereto.

6.3.3 In deciding whether such premises are in the vicinity of the application site, the West Suffolk councils will not use a pre-determined distance, but will consider each case on its individual merits, and will take account of its local knowledge where appropriate. In determining the issue, it will take account of:

- (a) distance,
- (b) intervisibility,
- (c) linkages between them, including whether the premises and application site are connected by well-used walking routes;
- (d) any visual or physical barriers between them.

6.3.4 In considering the application of this policy to domestic residential buildings, the West Suffolk councils will take into account the number of such buildings, their density, their primary use, the number of dwelling units they comprise and their distance from the application site.”.

6.4 Applications in respect of premises must state the full address of the premises. Applications in respect of a vehicle, vessel or stall must state where it is to be used as a sex establishment.

6.5 The West Suffolk councils would normally expect that applications for licences for permanent commercial premises should be from businesses with appropriate planning consent for the property concerned.

7.0 Making an application

7.1 An application for the grant, renewal, transfer or variation of a licence must be made in writing to the Council in accordance with the requirements shown in Appendix A.

7.2 In keeping with the West Suffolk council’s policy on the introduction of e-Government, the council consents to applications and other notices being given electronically. The address at which the Council will accept applications and notices is;-

- 7.3 A specimen application form and notice for public advertisement is attached in Appendices B and C.
- 7.4 A copy of the application must be submitted to the Chief Officer of Police within 7 days of submitting the application to the Licensing Authority.

8.0 Fees

- 8.1 The application process involves paying a non-returnable application fee.
- 8.2 The current schedule of fees for the licensing of sex establishments is shown in Appendix D.
- 8.3 Fees are reviewed annually against any rise in Council costs of administering the licensing regime.

9.0 Advice and Guidance

- 9.1 The West Suffolk councils will seek to liaise with applicants and/or mediate between applicants and others who may make objections, to achieve a satisfactory outcome for all involved, wherever possible and where resources permit.
- 9.2 Where an applicant considers that mediation and liaison may be likely or probable, it is recommended that the applicant discusses their proposals with the licensing section and those from whom they think objections are likely prior to submitting their application.

10.0 Grant, renewal or transfer of licences

- 10.1 The West Suffolk councils may grant to any applicant and renew a licence for the use of any premises as a 'sex establishment' on such terms and conditions as specified by the Council. (Refer to '16 - Conditions' and Appendices B and E).
- 10.2 Decisions regarding, the grant, renewal or transfer of a licence will be dealt with by either a Full or Sub Committee or Officers in accordance with the Schedule of Delegated Decisions in Appendix H.
- 10.3 A licence will remain in force for one year, or such shorter period specified in the licence, unless previously cancelled or revoked.
- 10.4 The West Suffolk councils may, if they think fit, transfer a licence to any other person upon application by that person.
- 10.5 Where an application for renewal or transfer of a licence is made before the date of expiry of the existing licence, the licence shall remain in force until such time as the application has been determined.

10.6 Where applications for licences have been granted, the Council will send the licence to applicants by post.

11.0 Waivers

11.1 The West Suffolk councils do not consider it appropriate to permit waivers from the requirements to hold a sex establishment licence, except in extreme and exceptional circumstances considered by the Licensing Committee (for example, to allow a temporary re-location of a business following damage to licensed premises).

11.2 Each application for a waiver will be considered on its individual merits. However, any establishment that would normally require licensing under the provisions of the 1982 Act is unlikely to be granted a waiver.

11.3 In order for a waiver to be considered, an applicant must provide the basic information included in the application form, and any other information the authority may reasonably require in order to make its decision.

11.4 A waiver may be for such period as the Council sees fit. Where the Council grants an application for a waiver, notice will be given to the applicant stating that it has granted the application. The Authority may at any time give a person who would require a licence, notice that the waiver is to terminate, on such date not less than 28 days from the date on which it gives the notice, or as may be specified in the notice.

12.0 Amendments to the Licensing Act 2003

12.1 Premises holding a sexual entertainment venue licence will not require a premises licence under the Licensing Act 2003 (as amended) unless the premises is carrying on other licensable activities e.g. the sale of alcohol or the provision of regulated entertainment.

12.2 Live music or the playing of recorded music which is integral to the provision of relevant entertainment, such as lap dancing, for which a sexual entertainment licence is required, is specifically excluded from the definition of regulated entertainment in the Licensing Act 2003 (as amended).

13.0 Exchange of Information

13.1 The West Suffolk councils may from time to time exercise their powers under Section 115 of the Crime and Disorder Act 1998 to exchange information with the police and other partners to fulfil its' statutory objective of reducing crime in the area.

13.2 Details of applications and objections which are referred to a Licensing Committee for determination will be published in reports that are made publicly available in accordance with the Local Government Act 1972 and the Freedom of Information Act 2000.

13.3 The name and address of objectors will not be disclosed to applicants or published in public reports in accordance with schedule 3, paragraph 10 (17) Local Government (Miscellaneous Provisions) Act 1982, as amended by the Policing and Crime Act 2009. Such details will be made available to Councillors on the Licensing Committee.

14.0 Variation of licences

14.1 The holder of a licence may apply to the Council to vary the terms, conditions or restrictions on or subject to which the licence is held.

15.0 Commenting on licence applications / Making objections

15.1 Unlike some other licensing regimes (such as for alcohol, entertainment or gambling), a wide range of people can raise objections about sex establishments licences. The Police are a statutory consultee for all applications.

15.2 Although applicants are only required to provide notice of the application to the Police, the West Suffolk councils will endeavour to list applications on its website and notify the following partner authorities of accepted applications made:

- Suffolk Constabulary
- Environmental Health (West Suffolk councils)
- Planning Services (West Suffolk councils)
- Families and Communities (West Suffolk councils)
- Parish or Town Council
- District or Borough Councillor (Ward Member)
- Suffolk Fire Service

15.3 Objectors should have something to say which is relevant to consideration of the statutory grounds for refusal that are set out in the 1982 Act; see appendix F.

15.4 The West Suffolk councils takes the following approach to deciding applications:

- (a) each case will be decided upon its merits. The West Suffolk councils will not apply a rigid rule to its decision making;
- (b) objectors can include residents'/tenants' associations, community associations, and trade associations. Councillors and MPs may also raise objections. Elected councillors may represent interested parties, providing they do not also sit on the Licensing Committee determining the application in question;
- (c) clear reasons for its decision will always be given.

- 15.5 The West Suffolk councils will not consider objections that are frivolous or vexatious, or which relate to moral grounds (as these are outside the scope of the 1982 Act). Decisions on whether objections are frivolous or vexatious will be made objectively by Officers. A report will be submitted in advance of any licence hearing that will outline the application and indicate the general grounds of representations.
- 15.6 A vexatious objection is generally taken as being one which is repetitive, without foundation or made for some other reason such as malice. A frivolous objection is generally taken to be one that is lacking in seriousness.
- 15.7 Objections will be considered at a hearing either by the full Licensing Committee or a Licensing Sub Committee. Both applicants and objectors will be given an equal opportunity to state their case in accordance with the West Suffolk councils hearing procedure, a copy of which can be found in appendix G.
- 15.8 Objections should ideally:
- be made in writing (this will include submissions electronically)
 - be in black ink on single sides of A4 paper
 - indicate the name and address of the persons or organisations making the representation
 - indicate the premises to which the objection relates
 - indicate the proximity of the premises to the person making the objection. A sketch map or plan may be helpful to show this
 - clearly set out the reasons for making the objections.
- 15.9 Petitions must clearly state the name and address of the premises application being objected to. The full objection that people are signing to say they agree with must be at the top of the petition. The objection must be in line with the requirements of the legislation. The names and address of those signing the petition should be provided and should be legible, together with a signature.
- 15.10 The West Suffolk councils must be confident that those signing the petition were aware of what they were signing for. So in the interest of clarity for those signing, best practice would be to have the objection at the top of each page; especially where several people are involved in collecting signatures.
- 15.11 It should be noted that submissions to the Council may also be in support of an application. These should contain the same information as stated above.

- 15.12 Objections may only be made within the period of 28 days following the date on which the application was given to the Council.
- 15.13 The West Suffolk councils will not consider any objection that does not contain the name and address of the person making it. (Refer also to 9.3 above).
- 15.14 Where objections are made, the West Suffolk councils will provide copies to the applicant. The West Suffolk councils will not divulge the identity of the objector(s) to the applicant without their permission to do so.
- 15.15 Where objections are made and not withdrawn, a hearing before the full Licensing Committee or delegated to a Licensing Sub Committee of three Councillors will normally be held within 20 working days of the end of the period in which objections might be made, unless all parties agree that a hearing is unnecessary.
- 15.16 In all cases, applicants who are genuinely aggrieved by a decision of the Council are entitled to appeal to the Magistrates' Court.
- 15.17 In the case of first or new applications, where no objections are made, the Council will grant the licence subject to terms and conditions that are consistent with the type and operation of the sex establishment (Please refer to '13 - Conditions').

16.0 Determining applications

- 16.1 When considering applications, the West Suffolk councils will have regard to:
- a) the Local Government (Miscellaneous Provisions) Act 1982, as amended;
 - b) any supporting regulations;
 - c) this licensing policy

Refer also to Appendix F

- 16.2 This does not, however, undermine the rights of any person to apply for a licence and have the application considered on its individual merits, nor does it override the right of any person to make objections on any application where they are permitted to do so under the Act.
- 16.3 When determining applications, the West Suffolk councils will take account of any comments made by the Chief Officer of Police and any objections made.
- 16.4 In all cases, the West Suffolk councils reserves the right to consider each application on its own merit.

17.0. Conditions

- 17.1 The standard conditions that may be attached to a licence are shown in Appendix E. It is an offence to breach the conditions and the penalty for this is a fine not exceeding £20,000.
- 17.2 The West Suffolk councils recognises that all applications should be considered on an individual basis and any additional conditions attached to such a licence will be tailored to suit each individual premise.
- 17.3 No condition will be imposed that cannot be shown to be necessary.
- 17.4 Where it is reasonable and necessary to do so, the Licensing Committee will impose additional proportional conditions on a licence. Wherever possible, these will be discussed in advance with operators by Licensing Officers.

18.0 Refusal of licences

- 18.1 Except where the West Suffolk councils are prohibited from granting, renewing, varying or transferring a licence, the West Suffolk councils will not refuse a licence without first:
- a) Notifying the applicant or holder of the licence in writing of the reasons; and,
 - b) Giving the applicant or holder of the licence the opportunity of appearing and making representations before a Licensing Committee.
- 18.2 The circumstances in which the West Suffolk councils must or may refuse a licence are shown in Appendix F.

19.0 Revocation of licences

- 19.1 The West Suffolk councils may revoke a licence:
- a) on any grounds specified in paragraph 1 of Appendix F to this policy;
 - b) on either of the grounds specified in paragraph 3 (a) and (b) of Appendix F of this policy. The West Suffolk councils will not revoke a licence without first giving the holder of the licence the opportunity of appearing and making representations before a Licensing Committee.

20.0 Cancellation of licences

- 20.1 The licence holder may surrender the licence at any time and may request in writing for the West Suffolk councils to cancel the licence.

- 20.2 In the event of the death of a licence holder, the licence will be deemed to have been granted to his personal representatives and will remain in force for 3 months from the date of death, unless previously revoked.
- 20.3 Where the West Suffolk councils are satisfied that it is necessary for the purpose of winding up the estate of the deceased licence holder, it may extend or further extend the period in which the licence remains in force.

21.0 Right to appeal a decision

- 21.1 If an application is refused, or revoked, following a hearing, then the applicant will be informed of the decision and whether there is any right of appeal.
- 21.2 Appeals must be made to the local Magistrates' Court within 21 days, starting from the date the applicant is notified of the West Suffolk councils' decision. The notice will advise the address of the appropriate Magistrates' Court to which such an appeal should be submitted. It should be noted that a fee may be payable to the Magistrates to lodge such an appeal,
- 21.3 Applicants can appeal against the refusal of a grant, renewal, variation or transfer application, or against the decision to revoke a licence. They can also appeal against conditions or restrictions imposed.
- 21.4 Please note that you cannot appeal against the West Suffolk councils decision if the application was refused on the grounds that:
- The number of sex establishments (if a limit is set - see paragraph 6.2), or of sex establishments of a particular kind, in the relevant locality at the time the application is determined is equal to or exceeds the number which the authority consider is appropriate for that locality; or
 - The grant of the licence would be inappropriate considering the character of the area, the nature of other premises in the area, or the premises themselves.
- 21.5 The Magistrates' Court will determine the appeal application. If you do not agree with the decision made by the Magistrates' Court, you can appeal to Crown Court. The decision made by the Crown Court will be final. The Council must comply with a decision made by a Magistrates or Crown Court.

22.0 Complaints

- 22.1 Where possible and appropriate, the West Suffolk councils will give early warning to licence holders of any concerns about problems identified at premises and of the need for improvement.

23.0 Enforcement

- 23.1 The West Suffolk councils are responsible for the administration and enforcement of the licensing regime and will have regard to the Department of Business Enterprise & Regulatory Reform's Regulators Compliance Code and the Better Regulation Commission's five Principles of Good Regulation. The West Suffolk councils will carry out its regulatory functions in a fair, open and consistent manner.
- 23.2 Specifically, the West Suffolk councils will:
- a) be proportionate – to only intervene when necessary and remedies will be appropriate to the risk posed;
 - b) be accountable – to justify decisions, be subject to public scrutiny and allow opportunities to resolve differences before enforcement action is taken, unless immediate action is needed;
 - c) be consistent – to implement rules and standards fairly;
 - d) be transparent – to be open and to provide clear explanations of what is needed, by when and the rights of appeal;
 - e) target its regulatory action at cases in which action is needed.
- 23.3 The West Suffolk councils recognise the interests of both citizens and businesses and will work closely, with partners, to assist licence holders to comply with the law and the conditions attached to the licence.
- 23.4 However, proportionate but firm action will be taken against those who commit serious offences or consistently break the law or breach conditions of the licence.
- 23.5 The West Suffolk councils have set clear standards of service and performance that the public and businesses can expect. In particular, an enforcement policy has been created that explains how the West Suffolk councils will undertake its role and how the principles of effective enforcement will be achieved.
- 23.6** This policy is freely available from the licensing section, as are details of the West Suffolk councils' corporate complaints procedures, both of which can be viewed on the West Suffolk councils' website:
www.westsuffolk.gov.uk

Dear Amanda,

Re: Application by Heaven Awaits Ltd for a renewal of its Sex Establishment Licence at 109 High Street, Newmarket CB8 8JH

Members of The Newmarket Town Council have considered the above application by Heaven Awaits Ltd for the renewal of their licence as a Sex Establishment and resolve **to object strongly** to the application.

The objections are made on the following basis:

The renewal of such licence would fundamentally infringe the guidelines set out in the Section 6.3 of the Forest Heath District Council's Sex Establishment Licencing Policy which states that FHDC will "not normally grant a licence where any premises within the vicinity are used for the following":-

- a) School –no school particularly close to the site in question.
- b) Place of worship – The Stable (a place of worship) on the High Street is 73 metres from the said premises. Additionally, both St. Marys Church and All Saints Church are in close proximity to these premises. Furthermore, the Memorial Hall is not only directly opposite 109 High Street and is used for religious events as well as events involving children which take place at the Memorial Hall at the very same time as Heaven Awaits Ltd would be open.
- c) Family Leisure – These premises are 18 metres from The Memorial Gardens play area which is used on a daily basis by numerous mothers and their children (most, if not all of whom, are under 16 years of age).
- d) Domestic Residential Buildings – These premises are in close proximity to houses and flats in The Avenue. The first and largest block of flats is 32 metres from these premises.
- e) Important Historic Buildings – These premises are located at the gateway to Newmarket High Street, next to the famous Jockey Club Rooms historic buildings and within a short distance of the National Heritage Centre for Horseracing and Sporting Art, the Palace of King Charles II and Tattersalls. Importantly, as FHDC will be well aware, 109 High Street is in itself an important historic building.
- f) Youth Facilities –As explained above, these premises are 18 metres from the Memorial Gardens play area which is used by several hundred mothers and their children and just across the road, opposite the King

Edward VII Memorial Hall, a community facility used by youngsters attending recreation clubs and various events. The facilities at the Memorial Hall and Memorial Gardens are used on a daily basis. In addition, The Stable in the High Street holds youth club activities every week.

g) Important Public and Cultural Facilities – Newmarket is the unique and historic international historic home of horseracing with numerous public and cultural facilities. The National Heritage Centre for Horseracing and Sporting Art is now fully open. As the cultural home of horseracing the town is famous and revered. It is totally unacceptable to continue to ruin its appeal with a tawdry sex establishment opposite the King Edward VII Memorial Hall and Memorial Gardens, a community centre and hub of public facilities. These premises are located at the start of Newmarket High Street which is the centre piece of this world famous historic town.

It is stated in Appendix F under paragraphs 2 and 3 that:-

"The Council may refuse:- (a) an application for grant or renewal of a licence on one or more of the grounds shown in paragraph 3 below; or (b) an application for transfer of a licence under either or both of the grounds shown in Paragraph 3(a) and 3(b) below."

Paragraph 3 (d) reads as follows:-

"..... that the grant or renewal of a licence would be inappropriate having regard to:- 1. The character of the relevant locality; 2. The use by which any premises in the vicinity are put; or 3. The layout, condition or character of the premises in respect of which the application is made."

For reasons stated above, the Town Council is of the view that the renewal of a licence for these premises would be inappropriate having regard to each and every one of the matters set out in Appendix F Clauses 2 and 3 (d).

In addition, the High Street is currently being improved and regenerated by the BID and the High Street Regeneration Committee. Our focus is to develop A1 and A2 Retail Premises and to make it an attractive centre for both residents and tourists, including the Legends of the Turf Walk of Fame (which include the High Street) and the Bill Tutte Memorial. On this basis this Sex Establishment proposal is totally out of keeping with our High Street.

Examination of the application also reveals that the size of the signage at 2300 x 1500 mm is outside the legal permitted size of 420 x 594mm. The size of the signage remains inappropriate for the Conservation Area and would be inappropriate, and on this basis Newmarket Town Council strongly objects.

As set out above, this Sex Establishment Licence must be refused as it is in close proximity to places of worship, family leisure amenities, domestic residential buildings, important historic buildings, youth facilities and important public and cultural facilities, and is the gateway to Newmarket High Street,.

We request that the Council also takes into account the Cumulative Impact Policy when determining this application.

Furthermore, this licence must be refused pursuant to section 21.4 of the FHDC's Sex Establishment Policy as "the grant of the licence would be inappropriate considering the character of the area, the nature of other premises in the area, and/or the premises themselves."

In summary, Newmarket Town Council continues to object to the FHDC Licensing Committee's flagrant refusal to adhere to its own Sex Establishment Policy in this matter to the detriment of historic Newmarket.

Yours Sincerely,

Roberta Bennett
Town Council Manager

HEAVENS AWAITS LICENSING APPLICATION 2017

I support this application for the renewal of their licence

I did object to their original licence application and this was based on two factors

1 Proximity to childrens' activities and to retail shops

2 It could add to what was a wild west situation at weekends after 11pm

1 There has been no conflict with any of these childrens' activities ,which are normally terminated by 10 pm

2 Once Di Niros closed there was a dramatic reduction in night time anti social activities

In this much quieter atmosphere there have been no disturbances from Heavens .

The test formyself is the effect on the street scene of people going to and of leaving any establishment .

Di Niros on this criteria caused immense disturbance . Whereas you would not know that Heavens was there

So on these criteria I agree with this licence application
