**13. Exclusion of press and public**

To consider whether the press and public should be excluded during the consideration of the following items because it is likely, in view of the nature of the business to be transacted or the nature of the proceedings, that if members of the public were present during the items, there would be disclosure to them of exempt categories of information as prescribed in Part 1 of Schedule 12A of the Local Government Act 1972, and indicated against each item and, in all circumstances of the case, the public interest in maintaining the exemption outweighs the public interest in disclosing the information.

**Part 2 - exempt**
