What would you like to suggest for investigation / review?
Please continue on a separate sheet if necessary

What are the main issues / concerns to be considered?
Please continue on a separate sheet if necessary

Would this review benefit from a "West Suffolk" approach (i.e. joint scrutiny by both Councils), or is it relevant only to your council?

Who is responsible for providing this service, or tackling the issue in question?
Have you spoken to them, and if so, what was the response?
What is the Portfolio Holders view on this issue?
What would be the likely benefits and outcomes of carrying out this investigation / review?
Estimated Committee and officer resource implications (eg research group, one-off report, dedicated meeting etc)
Suggested witnesses, documentation and consultation

Will this investigation / review contribute to one or more of the Council's Strategic Priorities? If so, which (please tick)	
Increased opportunities for economic growth	
Resilient families and communities that are healthy and active	
Homes for our communities	

Will this investigation / review contribute to the achievement of one or more of the commitments within the Council's Strategic Plan 2014-2016? If so, which (please tick)	
Increased opportunities for economic growth:	
1. Benefit growth that enhances prosperity and quality of life.	
2. Existing businesses that are thriving and new businesses brought to the area.	
3. People with the educational attainment and skills needed in our local economy.	
4. Vibrant, attractive and clean high streets, village centres and markets.	
Resilient families and communities that are healthy and active:	
1. A thriving voluntary sector and active communities who take the initiative to help the most vulnerable.	
2. People playing a greater role in determining the future of their communities.	
3. Improved wellbeing, physical and mental health.	
4. Accessible countryside and green spaces.	
Homes for our communities:	
1. Sufficient housing for current and future generations, including more affordable homes; improvements to existing housing.	
2. New developments that are fit for the future, properly supported by infrastructure, and that build communities, not just housing.	
3. Homes that are flexible for people's changing needs.	

Will this investigation hit one of the essential elements of a scrutiny review when analysing potential scrutiny reviews? If so, which (please tick)	
Public Interest: The concerns of local people should influence the issues chosen by overview and scrutiny.	
Impact (Value): Priority should be given to issues that make the biggest difference to the social, economic and environmental wellbeing of the area, and which have the potential to make recommendations which could lead to real improvements. The outcome must also be proportionate to the cost of carrying out the review in terms of staff and councillor time.	
Relevance: Overview and scrutiny must be satisfied that an issue identified for review is relevant and does not duplicate existing work being undertaken elsewhere by various Working Groups, Cabinet, partners etc.	
Partnership working or external scrutiny: The focus of scrutiny is moving towards joint action and community leadership, so anything which offers this opportunity should be given serious consideration.	

Would you like to be involved in the investigation / review?
