Consultation:		<ul style="list-style-type: none"> The draft Annual Report summarises progress in achieving the priorities set out in the 2014-16 West Suffolk Strategic Plan which was informed by feedback from residents, business and stakeholders. 	
Alternative option(s):		<ul style="list-style-type: none"> It is good practice for councils to report on progress against their priorities in this way and ensures transparency on how they spend public money. Forest Heath and St Edmundsbury could report separately on their work to achieve their priorities. However, this would not reflect some of the excellent work which has been delivered jointly across the whole of West Suffolk. Also, it would not show the continued joint working between Forest Heath and St Edmundsbury.

1. Key issues and reasons for recommendations

1.1 Draft West Suffolk Annual Report 2015-16

- 1.1.1 The draft West Suffolk Annual Report (**Appendix A**) highlights the key activities and developments that have been achieved over the financial year 2015-16, with regard to the priorities set out in the West Suffolk Strategic Plan 2014-16.
- 1.1.2 This version of the report has been designed and contains photographs. The draft report also contains a number of case studies and examples from West Suffolk to illustrate the achievements described. These have been carefully drawn from a range of localities, urban vs rural locations, and service areas, in order to demonstrate the range of activities undertaken by the councils. In some cases, initiatives were only focused on one specific area, however, so examples are necessarily drawn from these localities.
