Dear Sirs

**Heaven, 109 High Street, Newmarket, Suffolk, CB8 8JH**

With reference to the recent application for renewal of the Sex Establishment Licence, the Constabulary have no objections to the renewal of this licence.

The Heaven part of the premises causes no concerns in terms of crime and disorder. This is an evidence based assessment taking into account calls for service from the establishment and investigations linked to the venue.

In terms of protecting children from harm the premises have no explicit signage on the outside of the building in which the venue is housed. Access is restricted with no view inside the venue from the street. There are also no known issues of underage entrance and sales.

The management of the venue have always been very co-operative with the police and have always fully complied with the licensing objectives.

Yours sincerely

LEE SAMPHER  
Police Constable 806
