1. Key issues and reasons for recommendations

- 1.1 At its meeting immediately prior to this meeting, Council will have considered and voted upon the report in connection with progressing the next stage of the Norfolk and Suffolk Devolution Agreement (Report No: COU/SE/16/019 refers.)
- 1.2 The Council operates a Leader and Cabinet (Executive) decision making model. The Local Government Act 2000 makes reference to decisions that are to be made by the Executive and those that cannot be. The Act states that if a function is not included in any enactment as being taken elsewhere, then it is an Executive Decision. Under that proviso this particular decision would be an Executive Decision by omission.
- 1.3 In order to realise the benefits associated with Norfolk and Suffolk Devolution Deal and maximise potential for future devolution deals, Council has been asked to give consent to being included in an Order that will be laid before Parliament by the Secretary of State for Communities and Local Government, to create a Norfolk and Suffolk Mayoral Combined Authority that will receive devolved powers and funding. In order to avoid a challenge on technical grounds, Cabinet is asked to endorse the decision of Council associated with this because it is technically an Executive decision.
- 1.4 For that reason, subject to their approval by Council on 21 November 2016, Cabinet is asked to endorse the recommendations considered by Council, as contained in Report No: COU/SE/16/019, as reproduced on pages 1 and 2 of this report.
