**Subject:** Conditions for signage

Hi Bridget,

Please see a copy of the condition regarding the signage. Your signage is inoffensive but really should conform with the conditions, you could have a daisy on the rear passenger doors, contact details on the drivers and front door and boot door?

The contact social services use is a lady called Irene Noaks at Transport Services, Suffolk county council on 01473 264352.

Hope this all helps.

Kind regards

Amanda
