1. Key issues and reasons for recommendation(s)

1.1 **Accidents/incidents**

- 1.1.1 Accident /incident reports are completed every time there is an accident or incident at work involving a member of staff, or a member of the public on our premises.
- 1.1.2 These incident reports are read by the Health and Safety Manager to identify accident trends, if any, and to put in place measures to mitigate further injury.
- 1.1.3 RIDDOR reports have to be submitted to the HSE whenever there is:
 - (i) death;
 - (ii) a serious injury;
 - (iii) amputation;
 - (iv) loss of sight, permanent or temporary;
 - (v) someone is taken to hospital and is admitted for more than 24 hours;
 - (vi) a member of staff is not seriously injured, but spends more than 7 days off work as a result of that injury;
 - (vii) illness that resulted from exposure to a biological agent, or its toxins or infected material; and
 - (viii) acute illness or loss of consciousness arising from absorption of any substance by inhalation, ingestion or through the skin.
