	RISK ID NUMBER	Type	Title	Description - What are we trying to avoid?	WS Inherent Risk	WS Residual Risk	Last updated
RISK	WS2	Customer	Maintain and promote our public image, maintain effective communication	Council services and decisions being misrepresented in the media (including social media) which undermines public trust and confidence. Councils' reputation preventing them from entering into positive partnerships with others, or securing funding. Lack of public trust and confidence in the councils that could affect their ability to work WITH communities in achieving the strategic priorities and to achieve behaviour change (e.g. around recycling, channel shift etc.). This could also potentially impact on our ability to recruit staff in competitive market.	Probability - 3; Impact - 3	Probability - 3; Impact - 2	June 2017
	WS3	Customer	Failure to deliver channel shift	Service delivery methods do not meet customer needs or expectations with potential to damage Councils' reputation; customer expectations may need to be more carefully managed in new financial climate; services fail to deliver savings in required time scale or maintain quality; excessive demands on staff time.
