1. Key issues and reasons for recommendation

1.1 **Background Information**

- 1.1.1 The Public Sector Internal Audit Standards require the Service Manager (Internal Audit) to report periodically to senior officers and committee on Internal Audit's performance relative to its Audit Plan. Reporting should also include significant risk exposures and control issues where relevant, including fraud risks and governance issues. The Performance and Audit Scrutiny Committee is the designated committee to receive these periodic reports.
- 1.1.2 The purpose of this report is to update Members on progress made against the 2017/18 Audit Plan (approved by this committee in May 2017), and also provide a flavour of the work undertaken in the year to date.
