## **1. Key issues and reasons for recommendation(s)**

### **1.1 Performance Measures**

- 1.1.1 Attached at **appendices A to E** are the current Balanced Scorecards (based on Assistant Director area) which present Quarter 3 2017-2018 performance. Unless otherwise stated, all performance figures on the scorecards are from a West Suffolk perspective. Where the performance for either individual Council is significantly different from the West Suffolk figure that it would have a different Red-Amber-Green (RAG) rating, details of this are highlighted in the comments box.
- 1.1.2 The information included in the report has been provided by Assistant Directors and service managers. Most indicators report performance against an agreed target using a traffic light system with additional commentary provided for performance indicators below optimum performance. Other KPIs report a data value only (e.g. no target performance) in order to track performance over time.

### **1.2 Quarter 3 Performance**

- 1.2.1 Within Resources and Performance, the “% of non-disputed invoices paid within 30 days” corporate indicator across both councils shows we have achieved positive results in the third quarter, reporting 94.15% of invoices paid within 30 days. The finance and performance team will continue to work with service areas to try and improve performance against this indicator to achieve the 95% target, with monthly business intelligence reports being sent out with details of all invoices processed.
