1. Key issues and reasons for recommendation(s)

- 1.1 The Revenues Section collects outstanding debts in accordance with either statutory quidelines or Council agreed procedures.
- 1.2 When all these procedures have been exhausted the outstanding debt is written off using the delegated authority of the Head of Resources and Performance for debts up to £2,499.99 or by Cabinet for debts over £2,500.00.
- 1.3 It is best practice to monitor the recovery procedures for outstanding debts regularly and, when appropriate, write off irrecoverable debts.
- 1.4 Provision for irrecoverable debts is included both in the Collection Fund and the General Fund and writing off debts that are known to be irrecoverable ensures that staff are focussed on achieving good collection levels in respect of the recoverable debt.

2. Alternative options

- 2.1 The Council currently uses the services of the ARP Enforcement Agency to assist in the collection of business rates and Council Tax and also has on line tracing facilities. It is not considered appropriate to pass the debts on to another agency.
- 2.2 It should be noted that in the event that a written-off debt become recoverable, the amount is written back on, and enforcement procedures are re-established. This might happen, for example, if someone has gone away with no trace, and then they are unexpectedly 'found' again, through whatever route.

3. Financial implications and collection performance

- 3.1 Provision is made in the accounts for non-recovery but the total amounts to be written off are as follows with full details shown in Exempt Appendices 1, 2 & 3.
- 3.2 As at 28 February 2018, the total National Non Domestic Rates (NNDR) billed by Anglia Revenues Partnership on behalf of Forest Heath District Council (as the billing Authority) is £24.7m per annum. The collection rate as at 28 February 2018 was 94.37% against a profiled target of 94.13%
- 3.3 As at 28 February 2018 the total Council Tax billed by Anglia Revenues Partnership on behalf of Forest Heath District Council (includes the County, Police and Parish precept elements) is £29m per annum. The collection rate as at 28 February 2018 was 94.22% against a profiled target of 94.97%.
