Ward No.	Proposed name of ward	No. of members	Total electorate	% Away from Average (Variance)	Changes made as a result of consultation	Details of feedback received and other comments	Other options that could be considered
30 / 31	Moreton Hall East ward	2	4056	-1.31%	None	In March 2018 the councils completed a survey on the draft ward options and feedback was received from councillors, residents and community groups, that a 3 x member Moreton Hall ward was preferred to reflect community identity and to provide local effective government for Moreton Hall.	Options for a 3 x member ward would need to be considered against the impact of a single member Eastgate ward to ensure electoral equality was achieved in both wards. This would depend on the boundary between the two wards.
32 / 33	Eastgate & Moreton Hall West ward	2	4132	0.54%	None	Excluding the growth site at Rushbrooke with Rougham parish from the Moreton Hall East Ward received a mixed response. Those responses will be provided in full to the LGBCE
