1. Key issues and reasons for recommendations

1.1 Background

1.1.1 Under Article 6 (The Cabinet) (paragraph 6.5.2) of the Council's Constitution, it states that:

"The Cabinet may carry out its functions:

- d. by delegating power to a joint committee, area committee or another local authority".*

1.1.2 Under Article 10 (Joint Arrangements and Working Groups) of the Council's Constitution, it states that:-

"10.2 Joint Arrangements

10.2.3 ... the Cabinet may only appoint Cabinet Members to a joint committee and those Members need not reflect the political balance of the Council as a whole."

"10.3 Working Groups

10.3.1 The Council, Cabinet or Committees may appoint from time to time such working groups as they think fit, including joint working groups with Forest Heath District Council..."

1.1.3 The following Working Parties, Joint Committee/Panels and other Groups, either report to the Cabinet or exercise Executive functions:

- (a) Exercise Executive functions on behalf of the Cabinet
- Anglia Revenues and Benefits Partnership Joint Committee
 - Joint Executive (Cabinet) Committee
- (b) Report to the Cabinet
- Grant Working Party
 - Growth and Innovation Group
 - Future Governance Steering Group
 - West Suffolk Joint Health and Safety Panel
 - West Suffolk Joint Staff Consultative Panel
 - Other informal working groups, as detailed in Section 1.4 below

1.1.4 The Cabinet is requested to review the membership and the terms of reference for its Working Party, Joint Committee/Panels and other Groups for the year 2018/2019 as set out below.

1.2 Current Working Parties and Panels: Borough Council Membership only

1.2.1 The following Cabinet Working Party currently operates in accordance with the Appendix attached as indicated in the table below:

SEBC Working Party	Members	Subs	Terms of Reference and Membership
Grant Working Party*	8	4	Appendix A

*membership is appointed with regard to the political balance – see Section 1.5 below

1.2.2 **Grant Working Party**

The role and function of the Grant Working Party has been streamlined in recent years by making more use of the electronic voting system, and in 2015, this Working Party was subject to separate review as part of the overall Grants review undertaken to develop the Families and Communities agenda.

- 1.2.3 This approach to grant funding arrangements for implementation from 2015/2016 acknowledged the value of retaining the Grant Working Party for its views and advice on how it considers future funding should be granted.
- 1.2.4 As part of a monitoring process, the Grant Working Party considers and receives quarterly updates via email on the progress of the projects supported with funds from the 2017/2018 Community Chest. 18 applications for funding from the Community Chest for the 2018/2019 year (and in some cases beyond this financial year) were considered in November 2017. The substantial number of recommendations, which had demanded significant consideration and discussion by the Working Party, were subsequently approved in their entirety by the Cabinet. Grants totalling £276,683 (which includes £7,000 already approved in 2017/2018) were approved for the 2018/2019 year, with some organisations, subject to provisos, benefitting from the knowledge that they will receive funding for the 2019/2020 year as well. This approach regarding the consideration of Community Chest funding applications has therefore worked well since its inception in 2015.
- 1.2.5 In 2016/2017 as part of the budget setting process, the RIGS fund was extended to include the current Rural Action Plan underspend of circa £90,000. This allowed the scheme to continue for the four year period 2016-2020, by allocating an equal sum in each of those years, taking into account an underspend from the budget for 2015/2016. The fund will then cease from April 2020 and it is envisaged that Community Infrastructure Levy will be in place by then acting as the funding stream direct to town and parish councils for such projects.
- It is therefore considered that decisions on the Rural Initiative Grant Scheme (RIGS) grants will remain the responsibility of the Grant Working Party until all of the funding has been allocated.
- 1.2.6 This Working Party generally meets only twice a year. Additional meetings would only be arranged in 2018/2019 as substantive business dictates.

1.2.7 It is **RECOMMENDED** that **the Grant Working Party continues to operate in accordance with its current Terms of Reference, as detailed in Appendix A of Report No: CAB/SE/18/031.**

1.3 **Current Joint Panels and Steering Groups: Joint Membership with Forest Heath District Council**

1.3.1 The following Joint Panels and Steering Groups have been established with Forest Heath District Council. It should be noted that none of the following Panels/Groups' meetings are open to the public:

Joint Panels and Steering Group	Borough Council Members	Substitutes	Terms of Reference and Membership
Growth and Innovation Group	None defined	None defined	Appendix B
Future Governance Steering Group	3	1	Appendix C
West Suffolk Joint Health and Safety Panel	3	1	Appendix D
West Suffolk Joint Staff Consultative Panel	3	2	Appendix E

1.3.2 **Growth and Innovation Group**

On 9 January 2018, the Cabinet approved new proposed draft Terms of Reference for a new joint 'Growth and Innovation Group', which had evolved from the former West Suffolk Joint Growth Steering Group (WSJGSG). The prime purpose of this Group is to develop and push thinking by considering other best practice and using personal insights to inform debate on issues relating to the West Suffolk Councils' Growth agenda. It is not a decision making body nor a duplicate of Cabinet decision making. The Group will through debate and discussion inform Portfolio Holders' recommendations to Cabinet on strategy and policy, thus according more suitably to the revised Strategic Priorities contained in the newly adopted West Suffolk Strategic Framework 2018-2020 [Council – 19 December 2017] and the West Suffolk Growth Investment Strategy [Council – 20 February 2018].

1.3.3 There is no defined membership of the Growth and Innovation Group, therefore there is no requirement for the Group to have regard to the political balance of the Council. Agenda topics will be given to all Members, who may attend wherever the subject matter is of interest to them.

1.3.4 As was the case with the former WSJGSG, the relatively new Growth and Innovation Group is not be a decision making body; however unlike the WSJGSG, meetings are not be open to the public. Where appropriate, officers and the Portfolio Holders may however, request that other stakeholders attend meetings. Issues under consideration will obviously become public when they reach a formal decision-making stage, and be

subject to all the normal transparency and scrutiny rules in the Constitution at this point.

- 1.3.5 Some aspects of the new Group's work may require the formation of sub-groups to assess detailed proposals with their own separate ToR.

In certain circumstances, such as when development plan documents require consideration that may inform the development of a new West Suffolk Local Plan, it may be more appropriate for such a sub-group to be constituted by the Cabinet and operate in a traditional committee format, with nominated Members, a Chairman, voting arrangements and operate to the Council's standard rules of debate.

- 1.3.6 In relation to the development of a new West Suffolk Local Plan, it should be noted that further discussions will be held with Portfolio Holders and Cabinet later in 2018 regarding engaging Members with the detail of its development.

- 1.3.7 The Terms of Reference are shown in Appendix B attached. Membership is not listed as there is no defined membership and no regard to the political balance.

- 1.3.8 As the Group is in the early stages of its inception, it has not yet met in its present form; however a first meeting, including an insightful visit to self and custom build development in a neighbouring district, will be held in summer 2018.

- 1.3.9 It is **RECOMMENDED** that **the Growth and Innovation Group continues to operate in accordance with its current Terms of Reference, as detailed in Appendix B of Report No: CAB/SE/18/031.**

- 1.3.10 **Future Governance Steering Group**

On 30 May 2017, both Forest Heath District and St Edmundsbury Borough Councils' Cabinets approved the establishment and ToR for the Future Governance Steering Group (Report No: [CAB/SE/17/022](#)) refers. Its principal remit was to assess the technical requirements involved in moving forward the proposals for the creation of a single council for West Suffolk, the business case for which was approved by both Forest Heath and St Edmundsbury Councils in September 2017.

- 1.3.11 It has been established that the FGSG has functioned extremely well since its inception and has undertaken the requirements and responsibilities set out in its original ToR to the letter.

- 1.3.12 As matters for creating a single council for West Suffolk are progressing rapidly with a view to the new Council being formed from April 2019, the role and remit of the FGSG has evolved to enable it to consider a wider range of technical issues to ensure the appropriate governance is in place for the new Council.

- 1.3.13 To facilitate this, on 9 January 2018, the FGSG's Terms of Reference were amended and approved and these, and its current membership, are

shown in Appendix C attached. Now it has a much wider remit, the workload for this informal Group is expected to increase considerably during the single council transition period. Whilst non-decision making, the Group has an important role in working through the technical requirements of creating the single council. Meetings have therefore been arranged to reflect this increase in workload accordingly.

- 1.3.14 Similarly with the Growth and Innovation Group, whilst meetings of this Group are not open to the public, issues under consideration will be published when they reach a formal decision-making stage, and be subject to all the normal transparency and scrutiny rules in the Constitution at this point.
- 1.3.15 It is **RECOMMENDED** that **the Future Governance Steering Group continues to operate in accordance with its current Terms of Reference contained in Appendix C.**
- 1.3.16 **West Suffolk Joint Health and Safety Panel and West Suffolk Joint Staff Consultative Panel**
- 1.3.17 It is suggested that the West Suffolk Joint Health and Safety Panel and West Suffolk Joint Staff Consultative Panel continue to operate to consider policy matters for recommending to Cabinet/Council for approval, in accordance with the remit of each Panel's ToR.
- 1.3.18 Where recommendations to Cabinet and/or Council are not required, the greater use of electronic means is exercised to keep Members informed of issues that would usually be noted by these Joint Panels. With greater emphasis now placed on Members' use of electronic devices, such information can be accessed more easily by email, or within dedicated areas on the West Suffolk intranet. This practice has been exercised in previous years; however the importance of maintaining positive face-to-face engagement between employer (council) and employee (staff) representatives on both of these Panels is recognised.
- 1.3.19 It is therefore suggested that this arrangement continues to operate for 2018/2019. However, subject to the agreement of the relevant Chairman of each of the Joint Panels, this does not preclude Members suggesting that meetings be convened to discuss a specific topic that may arise from information provided electronically.
- 1.3.20 It is **RECOMMENDED** that:
- (1) the West Suffolk Joint Health and Safety Panel and the West Suffolk Joint Staff Consultative Panel continue to operate in accordance with their current Terms of Reference contained in Appendices D and E respectively; and**
 - (2) periodical meetings of the Joint Panels continue to be scheduled as and when required but with regard to the discussion outlined in Section 1.3.18.**

1.4 **Joint Committees**

- 1.4.1 To comply with the Constitution, the Council's Joint Committees exercise executive functions on behalf of the Cabinet. St Edmundsbury Borough Council's membership of the Joint Committee indicated in 1.4.2 below is therefore required to comprise Cabinet Members:

Joint Committee	SEBC Full Members	SEBC Substitutes
Anglia Revenues and Benefits Partnership Joint Committee	1	2
Joint Executive (Cabinet) Committee	8	0

1.4.2 **Anglia Revenues and Benefits Partnership Joint Committee**

Following agreement in December 2015 by each of the seven Councils represented on the Partnership (Forest Heath District Council, St Edmundsbury Borough Council, Breckland Council, East Cambridgeshire District Council, Fenland District Council, Suffolk Coastal District Council and Waveney District Council), the Anglia Revenues and Benefits Partnership Joint Committee comprises one Member and two Substitutes appointed from each of the partner Councils represented), with the option for one of the substitutes to attend and take part in debate (but not vote.)

- 1.4.3 This has since had a positive impact on the functionality of the Joint Committee.

1.4.4 **Joint Executive (Cabinet) Committee**

At the Annual Meeting of Council arranged for 17 May 2018, Council will consider a proposal to establish a joint committee, which would comprise all current Members of Forest Heath District Council's (FHDC) and St Edmundsbury Borough Council's (SEBC) Cabinets and would have executive decision making powers. As this report will be published before the Annual Meeting has been held, the decision of Council will be verbally reported at the Cabinet meeting.

- 1.4.5 Report No: AGM/SE/18/002 explains that Members who have attended current FHDC/SEBC (Informal Joint) Cabinet meetings will have noted these meetings can be confusing, with joint debates followed by individual Cabinet meetings who each vote on the agenda items (many of which are joint items). Recognising this, alongside the progress achieved towards forming a single Council from April 2019, the Leaders had confirmed it was their intention to form a Joint Executive (Cabinet) Committee to make decisions that are currently made by their individual Cabinet meetings.

- 1.4.6 The Leaders, and their Portfolio Holders, will still have responsibility for their individual designated areas (within Forest Heath and St Edmundsbury areas), and be able to make decisions in line with the rules for Portfolio Holder decision making.

- 1.4.7 Whilst it is within the gift of the Leaders to form such a joint committee, the necessary constitutional amendments require Council approval, and these are contained in Appendix A attached to that report. In practice, many of the amendments are straightforward. Importantly, the proposals maintain the ability of either Council to still have its own individual Cabinet meeting if it wished.
- 1.4.8 Given this proposal, it is also considered sensible to re-assess the key decision making thresholds, which have not been revised for some significant time. As the two Cabinet meetings are coming together, Council will consider a proposal to increase the threshold to £100,000 from the current £50,000 level as a way of not diluting the current key decision thresholds. Decisions below the £100,000 level would be made by officers or Portfolio Holders, but would still be referred to Cabinet where it is considered they have a significant impact on the local areas or officers / Portfolio Holders do not wish to exercise their delegation.
- 1.4.9 As consideration of and the appointment to this proposed joint committee will have been made by Council within days of this review being held, no decision is required by Cabinet at this time. It should also be noted, that as the proposal to establish the joint committee will not be known prior to this report being published, it will not be applied until June 2018.

1.4.10 It is **RECOMMENDED** that:

- (1) the Portfolio Holder for Resources and Performance be re-appointed as the full Member and the Portfolio Holders for Families and Communities, and Housing be re-appointed as the two substitute Members to the Anglia Revenues and Benefits Partnership Joint Committee for 2018/2019;**
- (2) the proposal to establish and appoint to a Joint Executive (Cabinet) Committee for consideration by Council at its Annual Meeting on 17 May 2018, be noted;**
- (3) should any future changes to membership of the bodies listed in (1) and (2) above be required during 2018/2019, the Service Manager (Democratic Services) be requested to exercise their existing delegated authority to appoint on the nomination of the Leader of the Council.**

1.5 **Other Informal Working Groups**

- 1.5.1 The Cabinet also sets up from time to time informal Member/Officer Working Groups to consider specific issues usually on a task-and-finish basis and often as joint groups with Forest Heath District Council. These groups make recommendations directly to Cabinet or the appropriate Committee in the form of reports and it is proposed that the practice of setting up such informal groups to look at specific issues should continue as required, provided there are resources available to support them.
- 1.5.2 In relation to the groups currently operating, the situation for 2018/2019 is as follows:

- (a) **The Apex Performance Panel:** this group was established in March 2013 to implement the findings of the two-year review. It reported to the Performance and Audit Scrutiny Committee on an annual basis; however its role has now been reviewed. Given the future direction of The Apex (details of which would be forthcoming in the future), the Portfolio Holder for Leisure and Culture now intended to dissolve the Performance Panel in its current format and has asked the Performance and Audit Scrutiny Committee to review performance against measures on a quarterly basis, with the Overview and Scrutiny Committee undertaking a review on a three-yearly basis on specific aspects. **Disband.**
- (b) **Joint Member Development Group:** This is a joint group with Forest Heath District Council which was established in December 2012 as an informal group to contribute to and support member development opportunities. It has met reasonably frequently in 2017/2018 and has recently considered the findings of review undertaken by the Overview and Scrutiny Committee on implementing an effective member development programme, which included exploring alternative means of delivery to encourage greater engagement. **Retain.**
- (c) **Bury St Edmunds Town Centre Masterplan Advisory Group:** Acting as a critical friend, members of this group is drawn from a widely selected group of organisations with an interest in the future success of Bury St Edmunds town centre, advising the Portfolio Holder for Planning and Growth on emerging proposals being developed as part of the Masterplan. **Retain.**

1.5.3 It is **RECOMMENDED** that:

- (1) **the Cabinet's existing informal Working Groups be retained or disbanded as indicated in Section 1.5.2; and**
- (2) **provided that resources are available to support them, further informal task-and-finish working groups continue to be established to consider specific issues as required throughout 2018/2019.**

1.6 **Political Balance and Appointment of Membership**

- 1.6.1 The formula for the allocation of seats to the political groups of the Council will be considered at its Annual Meeting on 17 May 2018. It is therefore suggested that the allocation of seats to the Grant Working Party, which has historically been calculated with regard to the political balance be considered and membership to be re-appointed in accordance with Table 1 set out in Appendix A.
- 1.6.2 Although not required to have regard to the political balance, Table 1 contained in Appendices C to E include the existing membership of each of these Joint Panels/Steering Group (Appendix B does not as it is proposed that the new Growth and Innovation Group does not have defined

membership). It is proposed that the membership for each of these Panels/Groups be re-appointed.

1.6.3 Any future changes to membership of the Working Party/Joint Committees/Joint Panels/Steering Group, are suggested to be made under existing delegation, as reflected in the following recommendation.

1.6.4 It is **RECOMMENDED** that:

(1) St Edmundsbury Borough Council's membership (including substitutes) of the Grant Working Party, Future Governance Steering Group, West Suffolk Joint Health and Safety Panel, West Suffolk Joint Staff Consultative Panel, as set out in Table 1 of Appendices A, C, D and E respectively, be re-appointed for 2018/2019.

(2) should any future changes to membership of the bodies listed in (1) above be required in the remainder of 2018/2019, the Service Manager (Democratic Services) be requested to exercise their existing delegated authority to appoint on the nominations of Group Leaders; and

(3) such appointments be made on the basis of political balance requirements, where applicable and identified in Report No: CAB/SE/18/031.

1.7 **Re-appointment of representatives to outside bodies**

1.7.1 The Council is required by the Constitution at each Annual Meeting to:

- (1) receive, or arrange the delegation of, nominations of Councillors to serve on any outside body for which a new appointment or re-appointment is required; and
- (2) appoint to those outside bodies except where appointment to those bodies has been delegated by the Council or is exercisable only by the Cabinet.

1.7.2 Council has delegated the appointment or re-appointment of 'observers' to the Cabinet. The following Members are currently appointed by the Borough Council as observers to the following outside bodies:

(a) Suffolk West Citizens Advice Bureau (Bury St Edmunds):
Councillor Patrick Chung; and

(b) Theatre Royal Board of Management: Councillor Joanna Rayner.

1.7.3 The Leader also has authority, under the terms of Memoranda of Understanding for projects, to appoint Members to sit on project groups, or equivalent. Councillor Jo Rayner (substitute: Councillor Patsy Warby) represents the Cabinet on the Guildhall Project and Councillor Patrick Chung performs the same role for the Newbury Community Centre Project on this basis.

- 1.7.4 The Leader, or a substitute appointed by the Leader, also represents the Cabinet on the informal partnership group which examines the 'One Public Estate' programme in West Suffolk (the West Suffolk Property Board). This is an ex-officio appointment, as the partnership arrangements require the leaders of St Edmundsbury and Forest Heath to attend.
- 1.7.5 Cabinet is **RECOMMENDED** to re-appoint the Members stated in **Section 1.7.2 above as observers to the respective outside bodies listed, and to NOTE the Leader or ex-officio appointments to the project or partnership groups listed in Section 1.7.3 and 1.7.4 .**
