Dear Rachael,

## St Edmundsbury Borough Council - Annual Audit Fee Letter - 2018/19

We are writing to confirm the audit that we propose to undertake for the 2018/19 financial year at St Edmundsbury Borough Council.

From 2018/19, new arrangements for local auditor appointment set out in the Local Audit and Accountability Act 2014 apply for principal local government and police bodies. These audited bodies are responsible for making their own arrangements for the audit of the accounts and certification of the housing benefit subsidy claim. Public Sector Audit Appointments Ltd (PSAA) has appointed auditors for bodies that have opted into the national scheme. Appointments were made for the duration of the five-year appointing period, covering the audits of the accounts for 2018/19 to 2022/23. Appointments for all bodies that had opted into the appointing person scheme before 9 March 2017 were confirmed, following consultation in December 2017.

### Indicative audit fee

For the 2018/19 financial year, PSAA has set the scale fee for each audited body that have opted into its national auditor appointment scheme. Following consultation on its Work Programme and Scale of Fees, PSAA has reduced the 2018/19 scale audit fee for all opted-in bodies by 23 per cent from the fees applicable for 2017/18.

The fee reflects the risk-based approach to audit planning set out in the National Audit Office's Code of Audit Practice for the audit of local public bodies.

The audit fee covers the:

- Audit of the financial statements
- Value for money conclusion
- Whole of Government accounts.

For St Edmundsbury Borough Council our indicative fee is set at the scale fee level. This indicative fee is based on certain assumptions, including:

- The overall level of risk in relation to the audit of the financial statements is not significantly different from that of the prior year
- Officers meeting the agreed timetable of deliverables;
- The operating effectiveness of the internal controls for the key processes identified within our audit strategy, and where relevant to our audit strategy;
- We can rely on the work of internal audit, where relevant, as planned;
- Our accounts opinion and value for money conclusion being unqualified;
- Appropriate quality of documentation is provided by the St Edmundsbury Borough Council;
- There is an effective control environment; and
- Prompt responses are provided to our draft reports.

Meeting these assumptions will help ensure the delivery of our audit at the indicative audit fee which is set out in the table below.

As we have not yet completed our audit for 2017/18, our audit planning process for 2018/19 will continue as the year progresses. Fees will be reviewed and updated as necessary, within the parameters of our contract.

Any additional work that we may agree to undertake (outside of the Code of Audit Practice) will be separately negotiated and agreed with you in advance.

The appointment of an auditor to certify the Council's 2018/19 housing benefit subsidy claim is not covered by the PSAA appointment, and is therefore not within this letter. We have corresponded separately with you in relation to this going forwards.

### Billing

The indicative audit fee will be billed in 4 quarterly instalments £8,425.25.

### **Audit plan**

Our plan is expected to be in the January – March 2018 period. This will communicate any significant financial statement risks identified, planned audit procedures to respond to those risks and any changes in fee. It will also set out the significant risks identified in relation to the value for money conclusion. Should we need to make any significant amendments to the audit fee during the course of the audit, we will discuss this in the first instance with you and, if necessary, prepare a report outlining the reasons for the fee change for discussion with the Performance and Audit Scrutiny Committee.

We are committed to providing you with a high quality service.
