1. Key issues and reasons for recommendation(s)

- 1.1 Ernst and Young (EY) has issued at **Appendices A and B**, an annual report on the Certification of Claims for 2017/2018. This report summarises the results of the certification work undertaken by EY staff as part of the annual audit of grant claims to government departments and sets out the scale fee for carrying out this work.
- 1.2 Funding from government departments is an important income stream for the Council which has to put in place procedures to ensure that it has met the conditions attached to the funding and, in some cases, must complete returns providing financial information to support the claims. The government departments may require appropriately qualified auditors to certify the claims.
- 1.3 From 1 April 2015, the duty to make arrangements for the certification of relevant claims and returns, and to prescribe scales of fees for this work, was delegated to the Public Sector Audit Appointments Ltd (PSAA) by the Secretary of State for Communities and Local Government.
- 1.4 For 2017/2018, these arrangements required only the certification of the housing benefits subsidy claim with a total value of £14.28 million.
- 1.5 The certification work found errors on the claim and these errors have been corrected by officers. A qualification letter setting out further errors and uncertainties was also reported to the Department for Works and Pensions (DWP). The relevant officers of the Council and Anglia Revenues Partnership (ARP) have agreed the qualifications in respect of the 2017/2018 certification work, as detailed in **Appendix A**. ARP has taken action to address the issues for 2018/2019.
- 1.6 In addition, the PSAA determine a scale fee each year for the audit of claims and returns. For 2017/18, these fees are set out in the table below.

	Indicative Fee 2017/2018	Final Fee 2017/18
Forest Heath DC	£12,442	£12,442
St Edmundsbury BC	£24,722	£21,700

- 1.7 EY have made no recommendations to Members as a result of the audit.
