

# Development Control Committee

## 7 March 2019

### Late Papers

#### **Item 5 – DC/18/1147/FUL: Land adjacent to the Forge, The Street - Lidgate**

1. In an email dated 26.02.2019 Historic England have stated that they are *"unaware of any further applications or of any new information having been submitted. We assessed Lidgate Caste and the C16 fortified manor last year for an amendment to the original 1967 scheduling and a decision was returned from DCMS on 15th October 2018. We are still in the process of assessing a timber framed barn which is located between the castle and the Hall but that is some way north of the proposed development site"*.
