**Purpose of report:** Section 38/111 of the Localism Act 2011 requires local authorities to produce a Pay Policy Statement annually.

A Joint Pay Policy Statement for 2019/20 has been produced, reflecting the shared workforce, and the single Pay and Reward Strategy now in place for the two West Suffolk Councils.

The West Suffolk Joint Pay Policy Statement for 2019/20 being recommended for adoption by both Councils is attached at Appendix 1. This incorporates the outcomes of the 2013 collective agreement which
established a modern reward framework for our integrated workforce.

**Recommendation:**

It is RECOMMENDED that, subject to the approval of Forest Heath and St Edmundsbury Councils, the West Suffolk Joint Pay Policy Statement for 2019/2020, as contained in Appendix 1 to Report No: CAB/JT/19/015, be approved.

Appendix 1: West Suffolk Joint Pay Policy Statement
1. **Key issues and reasons for recommendation**

1.1 The Localism Act and supporting guidance provides details of matters that must be included in this statutory pay policy, but, also, emphasises that each local authority has the autonomy to take its own decisions on pay and pay policies. The Pay Policy Statement must be approved formally by full Council each year. The statement can be amended in year, must be published on the Council’s website and must be complied with when setting the terms and conditions of Chief Officers.

1.2 This Pay Policy Statement includes a policy on:-

   (a) the level and elements of remuneration for Chief Officers (senior staff);
   (b) the remuneration of the lowest paid employees;
   (c) the relationship between the remuneration of the highest and lowest paid employees; and
   (d) other specific aspects of Chief Officer remuneration, fees and charges and other discretionary payments.

1.3 This Pay Policy Statement is a joint statement with Forest Heath District Council and St Edmundsbury Borough Council, which covers our integrated workforce and Leadership Team.

1.4 The Code of Practice for Local Authorities on Data Transparency provides guidance on good practice in this area. The Council’s approach to data transparency is to establish the Council as an open and transparent Council that, in time, not only embraces the principles of the Code, but, publishes all information that is likely to be of benefit to the communities and economy of our area.

1.5 Data can already be access through the “open data” link on our website. The Pay Policy Statement is published in that section annually.
