

Members' Allowances Scheme

1. The West Suffolk Council Remuneration Scheme

- 1.1. All Councils are required to form a scheme of allowances that:
 - Determines how much individual Councillors receive for being a Councillor (the basic allowance).
 - Determines how much those Councillors who have additional responsibilities should receive (special responsibilities allowances).
 - Determines the circumstances under which Councillors may claim expenses for costs they have incurred because they are a Councillor.
- 1.2. The Council must set the scheme in accordance with the requirements of the Local Authorities (Members Allowances) (England) Regulations 2003. The Scheme has been produced on the recommendation of an Independent Remuneration Panel, a group of individuals who are entirely separate from the Council who have considered how much Councillors should receive. The Council is required to annually publish the level of allowances and expenses claimed by Councillors.
- 1.3. This scheme was approved by West Suffolk Council on 25 February 2020.

2. Basic Allowance

- 2.1. Each Councillor shall receive a payment of £6,018 per year for undertaking their work as a Councillor. This payment is intended to include all expenses and costs they incur that fall outside the scope of the expenses scheme (see below), including costs of stationery, phone calls and internet costs, unless they are supplied to Councillors by the Council itself.
- 2.2. The sum of £6,018 shall be uplifted each year (including the year 2020/21) by the same rate as the Annual Pay Award provided to the majority of Council staff. Should this be 3% or higher, then the Remuneration Panel should consider the level of increase and make recommendations to the Council accordingly.

3. Special Responsibility Allowances

- 3.1. Councillors shall receive a payment in line with Schedule 1 for any special responsibilities posts that they are appointed to by the Council.
- 3.2. A councillor may hold more than one special responsibility post, but may only be paid one special responsibility allowance.

4. Payment and Foregoing of Allowances

- 4.1. Allowances shall be paid in 12 monthly instalments on the 23rd of each month unless that day is a weekend or bank holiday, in which case it shall be paid the previous Friday.
- 4.2. A Councillor shall be paid any allowances from their date of appointment, so that:
 - 4.2.1. In an ordinary election year, basic allowances are payable from 4 days after the date of election.
 - 4.2.2. In the event of a by-election, basic allowances are payable from the date of the by-election.
 - 4.2.3. In the event appointment to a special responsibility post, from the date the appointment was made.
- 4.3. Where a Councillor's entitlement to an allowance begins or ends part of the way through the year, their entitlement shall be the same proportion as the number of days during the term of office to the number of days in that year.
- 4.4. A Councillor may write to the Monitoring Officer to notify of their intention to forego any allowance, or part of any allowance, payable to them under this scheme.
- 4.5. In the event that the Council agrees that a Councillor may be granted a leave of absence of more than 6 months, then the Councillor will not be entitled to receive a basic allowance after they have been absent for more than 6 months. Their allowance payment will be resumed after they have attended a Council meeting.
- 4.6. Where a Councillor has been overpaid, they shall be invoiced for the value of the overpayment and required to repay the allowance. Where they have been underpaid, this shall be paid to them by the Council as part of any subsequent payment.
- 4.7. PAYE arrangements apply to Councillors' allowances, in that they are subject to national insurance and income tax, and deductions shall be made by the Council accordingly. Councillors cannot join the Local Government Pension Scheme.

5. Travel, Subsistence and Dependents / Caring Allowances

- 5.1. Members are allowed to claim travel, subsistence and dependents / caring allowances when carrying out official duties as listed within Schedule 2.
- 5.2. Members must submit claims within 2 months using any approved forms / IT systems. For claims to be processed within the month submitted,

they must be submitted in accordance with stated deadlines provided to members.

- 5.3. Councillors living inside the District should claim expenses from their home, or the starting point of their journey. Where a Councillor lives outside the District, the nearest border should be agreed with them by the Monitoring Officer or Chief Executive, which would then become their notional base for travel purposes from which claims from their "home" may be made.
- 5.4. Councillors should, when possible, seek to use alternatives such as walking, cycling, public transport or car sharing instead of personal car journeys to support the Council in reducing the environmental impact of its activities.

Transport Allowances

- 5.5. Where Councillors are undertaking official duties, claims for transport allowances will be paid at the following rates:

Travelling by Car: First 10,000 miles claimed Claims above 10,000 miles	45p per mile 25p per mile
Where also carrying Councillors / Council employees also required to attend the event	Additional 5p per mile
Travelling by Motorbike	24p per mile
Travelling by Bicycle	20p per mile
Public Transport	Standard Fare incurred; Councillors are expected to use any discount / concessionary fare entitlements
Taxis	Actual Fare, as evidenced by receipt; this should normally be pre-approved by the Chief Executive or Monitoring Officer and only in exceptional circumstances.
Car Parking and Toll Fares	Actual Fare incurred, as evidenced by ticket / receipt / statement

- 5.6. Any other forms of transport or arrangements that do not fall within the scope above should be notified to the Chief Executive or Monitoring Officer to agree. Wherever possible, where public transport or alternative transport is being used, then the Councillor or Council (on their behalf) should seek to pre-purchase tickets to ensure best value.
- 5.7. Should HMRC adjust the standard rates for car, motorbike or bicycle travel, then the Council may adjust the rates in 5.4 accordingly, or the

council could reconvene the West Suffolk Independent Remuneration to review the rate changes.

- 5.8. Councillors must ensure that they have complied with the relevant tax and MOT requirements for their vehicle and have appropriate insurance in place that covers their councillor activities for their vehicle. Claims may not be paid if these requirements have not been complied with.
- 5.9. Councillors are entitled to use the Council's pool cars when undertaking Council business. The pool cars include use of a fuel card and therefore mileage expenses cannot be claimed when the journey has been undertaken by pool car.

Subsistence Allowances

- 5.10. Any overnight accommodation should be booked and paid by the Council on behalf of the Councillor in advance.
- 5.11. An evening meal allowance will be paid for meals after 7pm where an overnight stay is required outside of the District, for the actual cost of the meal, up to a maximum of £20. In exceptional circumstances for conferences in London, this should be agreed with the Monitoring Officer or Chief Executive.
- 5.12. Any other exceptional circumstances, such as a meal on a train, may be agreed by the Monitoring Officer or Chief Executive.

Dependents / Caring Allowances

- 5.13. Councillors who have caring responsibilities are allowed to claim for the costs they actually incurred, up to a maximum of £8 per hour for childcare, and £20 per hour for professional support care for dependents, from the time they leave home to the time that they return home on duties within schedule 2.
- 5.14. These payments will not be made to an immediate family member and may only be reimbursed on production of receipts or invoices for costs incurred. They should be claimed in respect of those who live with the Councillor, or are dependent on the Councillor for support, and cannot be left unsupervised during the Councillor's absence.
- 5.15. Costs in respect of childcare may only be claimed outside of normal child care provision times – for example, claims may not be made when the child is in school or using entitlement to free childcare hours.

6. Councillors with Additional Needs

- 6.1. If any Councillors have particular needs arising due to a protected characteristic under the equalities act – for example, they have a

disability that prevents them using some forms of transport, then the Chief Executive or Monitoring Officer may agree to the payment of any additional claims or support arrangements that fall outside the scope of the scheme, to support their needs.
