

Markets Review - Action Plan

CREATING SUCCESSFUL MARKETS

Maximising the potential of markets and special events on the markets to support the vitality and viability of town centres.

Themes	Actions	Associated activities	Progress (for future reporting)
Grow the customer base for markets by raising awareness and attracting new customers and traders to West Suffolk markets	1. Officers to create a communications plan identifying what, when and who.	a) Work with Councillors and partners to continue to communicate information about West Suffolk markets. b) Ensure a wide range of social media platforms and communications tools are included.	
	2. Officers to deliver a development plan for each of West Suffolk's markets which should be kept under review and monitored regularly. This will include measures to	a) Benchmarking and researching best practice

	<p>the offer across all West Suffolk markets.</p>	<p>maintain the fullest possible market to promote footfall for the collective benefit of all traders.</p> <p>c) Consider creating a plain English guide to the MLR.</p> <p>d) Apply a consistent approach to parking arrangements across markets.</p>	
	<p>5. Market traders should be invited to regular meetings with the council's markets team to address issues of mutual interest and concern. These meetings could be held virtually if this suited the traders.</p>	<p>Liaise with market traders to understand how this could best work for them.</p>	
<p>Support effective running, growth and ongoing financial viability of West Suffolk markets</p>	<p>6. Carry out an officer-led review of the charging structure for markets, including the potential use of incentives and a review of the costs of supplies.</p>		

Themes	Actions	Associated activities	Progress (for future reporting)
Support effective running, growth and ongoing financial viability of West Suffolk markets	7. Officers to investigate the opportunity for each market to aim to become financially self-sufficient within three years.	a) Understand current costs and allocation b) Consider alternative funding opportunities to support each market	
	8. Officers to review the provision of waste and cleansing services at each of our markets.	a) Understand which traders generate the most waste	

Themes	Actions	Associated activities	Progress (for future reporting)
	<p>9. Explore options for alternative management and operation of the markets such as the town councils</p>		
<p>Reduce the environmental impact of West Suffolk markets and promote more sustainable shopping habits</p>	<p>10. Carry out an Officer assessment of reducing the environmental impact of the markets.</p>	<p>a) Understand the impact on the Council's operational resources of supporting changes to ensure they are sustainable and include options for how changes may be funded.</p>	
	<p>11. Co-ordinate a campaign to encourage traders and shoppers on all markets to reduce the use of single-use or non-sustainable packaging and receptacles, as well as promote increased recycling rates.</p>
