1. Key issues and reasons for recommendation(s)

- 1.1 This Strategy will support priorities set out in West Suffolk's Strategic Plan. In particular:
- Priority 2: Resilient families and communities that are healthy and active
 - Priority 3: Homes for our communities
- 1.2 Councils are required to carry out a homelessness review of their area and produce a strategy to:
1. Address the causes of homelessness in the area.
 2. Introduce initiatives to prevent homelessness wherever possible.
 3. Provide sufficient temporary accommodation for those households that are or may become homeless.
 4. Ensure that appropriate support is available for people who have previously experienced homelessness in order to prevent it happening again.
- 1.3 This is the first joint West Suffolk Homelessness Strategy. Previously Forest Heath District Council and St Edmundsbury Borough Council have had their own.
