1. Context to this report

1.4 The Cabinet is requested to review and appoint membership in accordance with the terms of reference for its joint committee, panel and other working groups for the year 2023 to 2024, as set out in section 2. below.

2. Joint committee, panel and other working groups

2.1 Anglia Revenues and Benefits Partnership Joint Committee

2.1.1 The Anglia Revenues and Benefits Partnership Joint Committee comprises membership of each of the councils represented on the partnership (West Suffolk Council, Breckland Council, East Cambridgeshire District Council,

Fenland District Council and East Suffolk Council). To comply with the Constitution, the Council's Joint Committee exercises executive functions on behalf of the Cabinet. West Suffolk Council's (WSC) membership of the Joint Committee consists of one full member and two substitute members and is required to comprise of Cabinet members.

- 2.1.2 The constitution, partnership agreement and terms of reference for the Anglia Revenues and Benefits Partnership Joint Committee was last fully reviewed and approved by the partner councils in January 2020. Due to the size of the document, it is **not** attached to this report, but can be viewed electronically at [CAB.WS.20.003 Appendix 1 - Review of the ARP Constitution.pdf \(westsuffolk.gov.uk\)](https://www.westsuffolk.gov.uk/CAB.WS.20.003%20Appendix%201%20-%20Review%20of%20the%20ARP%20Constitution.pdf)
- 2.1.3 The Anglia Revenues and Benefits Partnership Joint Committee continues to work effectively, with the member representation from each partner authority jointly managing the administration and performance of the five councils' respective statutory functions relating to the collection of council tax and non-domestic rates, and the payment of housing and other relevant benefits.
- 2.1.4 It is **recommended** that:
- 1. One full member, be appointed to represent West Suffolk Council on the Anglia Revenues and Benefits Partnership Joint Committee in 2023 to 2024.**
 - 2. Two substitute members be appointed to represent West Suffolk Council on the Anglia Revenues and Benefits Partnership Joint Committee in 2023 to 2024.**
 - 3. It be noted that on the nomination of the Leader of the Council, the Monitoring Officer may exercise their delegated authority to appoint appropriate Cabinet membership (full and substitute members) to the above joint committee during 2023 to 2024, as necessary.**
- 2.2 **Staff Consultative Panel**
- 2.2.1 The Staff Consultative Panel provides a positive environment through which to engage on the development of employment policies and practices. Some of the policies are referred to Cabinet or Council (as appropriate) to approve, whilst other papers are presented to the Panel to keep them informed on employment related matters within the Council. Panel members may also be consulted on / informed of items through e-mail notification.
- 2.2.2 Having regard to the political balance of the Council, the Panel was established in 2019 when adopting the Constitution for the new West Suffolk Council and is made up of councillors and representatives of the staff

(usually through representatives from Unison, the Council's recognised staff union). The Panel has its own work programme, but additional items or meetings can be called on request. The terms of reference are attached as Appendix A.

2.2.3 Agendas and non-exempt papers are published on the West Suffolk Council website; however, as a non-decision-making body, meetings are held informally and are not accessible to the public.

2.2.4 It is **recommended** that:

- 1. The Staff Consultative Panel continues to operate in 2023 to 2024 in accordance with the Terms of Reference (ToR) contained in Appendix A to Report number: CAB/WS/23/025.**
- 2. Periodical meetings of the above Panel be scheduled as and when required, but with regard to the discussion outlined in Section 2.2.2.**

2.3 **West Suffolk Grant Working Party**

2.3.1 The primary function of the Grant Working Party is to consider applications to the Council's Community Chest grant fund and make recommendations to Cabinet on the level of funding (if any) that should be granted to applicants.

2.3.2 The Working Party is a non-decision-making body that comprises seven councillors and respects the political balance of the Council. It primarily meets on three occasions a year to consider the Community Chest applications. Agenda papers and meetings are not accessible by the public; however, the Working Party's composite report and recommendations are published when presented to the subsequent publicly accessible Cabinet meeting.

2.3.3 Due to the significant number and quality of applications received, difficult decisions often need to be made within the eligibility and selection criteria, and the budgetary constraints of the Community Chest fund. The Grant Working Party thoroughly considers the applications and effectively supports the Cabinet in making these decisions by providing the rationale behind their recommendations. The Portfolio Holder for Families and Communities, who has the responsibility for the awarding of grants, is invited to attend each meeting of the Working Party to ensure the Cabinet remains closely involved in the process. The terms of reference are attached as Appendix B.

2.3.4 Without a Grant Working Party, an alternative mechanism would be needed to consider the Community Chest grant awards. This could take the form of a portfolio holder or officer-led process, or consideration by Cabinet. These options are not considered to be proportionate either in terms of the level of

accountability involved, or the time needed to consider a large number of applications, respectively.

- 2.3.5 **It is recommended that the West Suffolk Grant Working Party continues to operate in 2023 to 2024 in accordance with the ToR contained in Appendix B to Report number: CAB/WS/23/025.**

2.4 **West Suffolk Local Plan Working Group**

- 2.4.1 The Working Group is a non-decision-making body that comprises ten councillors and respects the political balance of the Council. Where possible, on the nominations of Group Leaders, representation is drawn across the geography of the West Suffolk district. Agenda papers and meetings are not accessible by the public; however, the Working Group's recommendations and the rationale behind them are published when presented to subsequent publicly accessible Cabinet meetings. The terms of reference are attached as Appendix C.
- 2.4.2 To help shape and form a member-led process to develop and progress the emerging West Suffolk Local Plan, the Working Group's primary function is to deal with the detail of policy development, monitoring and best practice covering the Local Plan preparation, public engagement, and responses to consultations.
- 2.4.3 The alternative option to continuing the operation of the Local Plan Working Group would be to test and refine site and policy options as well as draft policy and the Local Plan using Cabinet or Council, with the option for Overview and Scrutiny inspection. However, this is often a very detailed, technical task and can be more effectively undertaken by a small working group to explore options, key issues, and test policy/site options in detail. The continuing appointment of the Local Plan Working Group also allows members to lead and develop the Local Plan throughout its preparation process. Subject to the approval by Cabinet and Council in Autumn 2023, the consultation on the West Suffolk Local Plan Preferred Options Document is planned to commence by early 2024.
- 2.4.4 **It is recommended that the West Suffolk Local Plan Working Group continues to operate in 2023 to 2024 in accordance with the ToR contained in Appendix C to Report number: CAB/WS/23/025.**

2.5 **West Suffolk Environment and Sustainability Working Group**

- 2.5.1 The purpose of the proposed West Suffolk Environment and Sustainability Working Group is to review the progress that West Suffolk Council has made in delivering its action plans and move to Net Zero. It will also make recommendations to Cabinet on West Suffolk Council's future role in protecting and enhancing the environment, both in the way in which it carries out its operations and through wider work with West Suffolk's businesses and communities.

- 2.5.2 The Working Group will be a non-decision-making body and will consist of eight members. Cabinet will appoint the Chair and Vice-Chair and Group Leaders will appoint to the Working Group, with five members (including the Chair and Vice Chair of the Working Group) from The West Suffolk Working Partnership, and three members from the Conservative Group.
- 2.5.3 Agenda papers and meetings will not be accessible by the public; however, the Working Group's recommendations and the rationale behind them will be published when presented to subsequent publicly accessible Cabinet meetings.
- 2.5.4 **It is recommended that Cabinet approves the ToR for the new West Suffolk Environment and Sustainability Working Group for 2023 to 2024 as set out in Appendix D to Report number: CAB/WS/23/025.**

2.5 Delegated Authority

- 2.5.1 During 2023 to 2024, there may be a requirement to change the current membership of each of the above bodies. The Constitution's scheme of delegation to officers already allows the Monitoring Officer to appoint to the various bodies of the Council on the nominations of Group Leaders.
- 2.5.2 **It should therefore be noted that should it become necessary and on the nominations of Group Leaders, the Monitoring Officer may exercise their delegated authority to appoint appropriate membership (full and substitute members) to the above Panel, Working Party and Working Group during 2023 to 2024 in accordance with their Terms of Reference.**

2.6 Other informal working groups

- 2.6.1 The Cabinet may also during 2023 to 2024 set up informal member/officer working groups to consider specific issues, which would usually be on a task-and-finish basis. Such groups would make recommendations directly to Cabinet or the appropriate committee in the form of reports. It is proposed that such groups or taskforces would be formed as required on the direction of the Leader.
- 2.6.2 **It should therefore be noted that, provided the resources are available to support them, informal task-and-finish working groups or taskforces be established to consider specific issues as required throughout 2023 to 2024.**

3. Alternative options that have been considered

- 3.1 Not to undertake an annual review; however, it is prudent to do so to ensure the Cabinet's groups remain effective and fit-for-purpose.

4. Consultation and engagement undertaken

- 4.1 Appointments to the joint committee, panel and other working groups detailed in this report will be made on the nominations of the Leader of the Council and /or Group Leaders, as applicable.

5. Risks associated with the proposals

- 5.1 The Council could consider the creation of joint committees with partner authorities to maximise opportunities for joint working.
- 5.2 To avoid duplication of effort between member bodies, undertaking reviews of its working parties, panels etc is considered prudent to ensure they are still relevant, adding value and do not cross over with other activities or other bodies, for example scrutiny committees or task and finish groups.
- 5.3 To ensure meetings and reviews are accommodated with available member and officer time and resources, it is considered prudent to carry out reviews and disband any groups no longer required, and to optimise frequency of meetings.

6. Implications arising from the proposals

- 6.1 Financial implications:

The review has been undertaken within existing resources. Any changes required as a result of the review will also be borne from existing budgets.

Constitutional compliance: See sections 1.1, 1.2 and 1.3 above.
