

West Suffolk Local Plan Working Group

Terms of Reference

Background

West Suffolk Council is in the process of developing a new Local Plan for its area. The Local Plan must be in conformity with the National Planning Policy Framework and be informed by evidence gathered that relates to West Suffolk and the wider area. All Local Plan policies and documents must be approved by the Council, on the recommendation of Cabinet.

This Local Plan Working Group is being established to support Cabinet in the development of West Suffolk Local Plan, reviewing matters in depth, assessing a wide range of evidence and providing a range of thoughts, opinions and recommendations for Cabinet to consider.

Role and Purpose of the Local Plan Working Group

In addition to drawing on local insights and experience, members will be asked to share their knowledge and insights of West Suffolk as a whole. This balance is important and will support Cabinet in creating an informed local plan, which benefits all our community. Specifically, they will:

- Advise on the development of Local Plan documents, through reviewing and commenting on the associated evidence base and draft documentation.
- Review consultation responses, assessing how these should inform policy preparation and how the local plan should be influenced by responses
- Support the Council in its duty to consult with its partners including other local authorities in the development of the local plan, evaluating their proposals and how these shape / influence policy developments, particularly with regard to cross-boundary issues
- Evaluate how the local plan is compliant with national planning policy guidance and good practice
- Evaluate consultation approaches, advising on potential methods and options to ensure effective engagement. Support the Portfolio Holder for Planning in monitoring the delivery of the project timetable
- Undertake other roles that the Portfolio Holder for Planning, in consultation with the Chair, considers appropriate

In order to perform these roles, the Portfolio Holder for Planning shall agree a Work Programme for the Working Group. This Work Programme shall be reviewed by the Group at each meeting to ensure that progress is being achieved as expected. From time to time, the Portfolio Holder for Planning may modify the work programme or notify the Committee of changes to it.

Membership

10 Members including the **Portfolio Holder for Planning**.

The working group will comprise councillors from across all political groups. Membership will be broadly apportioned in line with the political balance and appointees from each party will be agreed by their respective group leader.

Group leaders are encouraged to work to ensure there is a balance in the geographic representation across the District and ensure there is representation from both rural and urban areas.

Continuity and commitment is important to make this group effective. Members on the Working Group are expected to ensure they make every effort to attend meetings and where they are unable to do so, appoint a substitute.

In addition to performing their collective role, members of the group will be expected to:

- Engage with their political groups to ensure all members are kept informed on the local plan development process
- Keep informed of national and local developments and legislation that may impact on the work of the group
- Actively participate in debates at the Working Group meetings
- Be creative, supporting new ideas coming forward and being open minded to alternative proposals or viewpoints
- Read and consider papers presented in advance of the meeting, being proactive in contacting officers to resolve any points of confusion ahead of the meeting
- As mentioned above, they will use their experience, knowledge and insight of their local area, but be mindful of the need to consider the plan across the whole of West Suffolk
