State any seasonal variations

For example (but not exclusively) where the activity will occur on additional days during the summer months.

Although we have specified a wide range of hours throughout this form, there will not be activity during all these hours. It is more likely that events will be sporadic and dependent on the hire of the hall and the request for a bar to be available to sell alcohol. At present we would mainly use the bar early in the day for wakes and funeral parties to gather. During the day, it may be such things as Pimms at a fete or a wine tasting afternoon or afternoon cream tea. It is envisaged that the bar will mainly be used of an evening when we have the over 40's youth group, fundraising activities such as a quiz night, social activities such as pop up cinema and charity functions and when others hire the hall for activities, functions and family celebrations.

**LICENSING OBJECTIVES**

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

*Continued from previous page...*

List here steps you will take to promote all four licensing objectives together.

The Charity and licensee, shall ensure that when the bar is in operation, there are sufficient competent staff on duty at the premises for the purpose of fulfilling the terms and conditions of the licence and for preventing crime and disorder. All staff will undertake training in their responsibilities in relation to the sale of alcohol, particularly with regard to drunkenness and underage persons. Records will be kept of training and refresher training.

b) The prevention of crime and disorder

Any incidents of a criminal nature that may occur on the premises will be reported to the local Police. The premises has CCTV coverage and can be accessed remotely. There is a camera at the entrance/exit of the building and show in full colour with some sound each person entering and exiting the building. An outside light helps to illuminate each person as they approach the building. There is also a camera inside the main hall which captures the whole overview of the space. The CCTV captures the time and date of any offenses. This system is checked regularly and signage is in place. This system has been used in the past to secure a conviction of two men committing theft so is up to police standard.

c) Public safety

Appropriate fire safety procedures are in place including fire extinguishers, fire blanket, internally illuminated fire exit signs, numerous smoke detectors and a fire detection system with alarm. All appliances are inspected annually. All emergency exits shall be kept free from obstruction at all times.

d) The prevention of public nuisance

All customers will be asked to leave quietly and be mindful of our neighbours. Signs will be in place upon exit to reinforce this message.

e) The protection of children from harm

The licensee and staff will ask persons who appear to be under the age of 25 for photographic ID such as proof of age cards, the Connexions Card and Citizen Card, photographic driving licence or passport, an official identity card issued by HM Forces or by an EU country, bearing the photograph and date of birth of bearer. All staff will be trained for UNDERAGE SALES PREVENTION regularly. A register of refused sales shall be kept and maintained on the premises.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

#### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
