1. Context to this report

- 1.1 The revenues section collects outstanding debts in accordance with either statutory guidelines or council agreed procedures.
- 1.2 When all these procedures have been exhausted the outstanding debt is written off using the delegated authority of the Director, Resources and Property for debts up to £4,999.99 or by Cabinet for debts over £5,000.00.
- 1.3 It is best practice to monitor the recovery procedures for outstanding debts regularly and, when appropriate, write off irrecoverable debts.
- 1.4 Provision for irrecoverable debts is included both in the Collection Fund and the General Fund and writing off debts that are known to be irrecoverable ensures that staff are focussed on achieving good collection levels in respect of the recoverable debt.
- 1.5 As at 1 November 2023 the Council Tax percentage of debt written off during 2023/2024 for all previous years is 0.01 percent.
- 1.6 As at 1 November 2023 the business rates percentage of debt written off during 2023/2024 for all previous years is 0.01 percent.
- 1.7 As at 1 November 2023 the sundry debt percentage of debt written off during 2022/23 for all previous years is 0.02 percent.

2. Proposals within this report

- 2.1 To review the current revenue collection performance and to consider writing off outstanding debts, as detailed in the exempt appendices.
- 2.2 Provision is made in the accounts for non-recovery but the total amounts to be written off are as follows with full details shown in **Exempt Appendix 1 NNDR totalling £68,414.51**
Exempt Appendix 2 Sundry totalling £6,962.44
- 2.3 As at 1 April 2023 the total National Non-Domestic Rates (NNDR) billed by Anglia Revenues Partnership on behalf of West Suffolk Council (as the billing Authority) is £70.3 million per annum. The collection rate as at 1 November 2023 was 65.96 percent against a profiled target of 63.44 percent.
- 2.4 As at 1 April 2023 the total Council Tax billed by Anglia Revenues Partnership on behalf of West Suffolk Council (includes the County,

Police and Parish precept elements) is £118.4 million per annum. The collection rate as at 1 November 2023 was 65.11 percent against a profiled target of 64.78 percent.

3. Alternative options that have been considered

- 3.1 There is an extensive and supportive recovery process prior to the engagement of an enforcement agency. The council currently uses the services of the ARP Enforcement Agency to assist in the collection of business rates and Council Tax and also has online tracing facilities. Although this service was suspended during the lockdown and up to more recently, enforcement is now reinstated in line with Government guidance. It is not considered appropriate to pass the debts on to another agency.
- 3.2 It should be noted that in the event that a written-off debt becomes recoverable, the amount is written back on, and enforcement procedures are re-established. This might happen, for example, if someone has gone away with no trace, and then they are unexpectedly 'found' again, through whatever route.

4. Consultation and engagement undertaken

- 4.1 Leadership Team and the Portfolio Holder for Resources have been consulted with on the proposed write-offs.

5. Risks associated with the proposals

- 5.1 Low Risk - Debts are written off which could have been collected
Control - Extensive recovery procedures are in place to ensure that all possible mechanisms are exhausted before a debt is written off.

Medium Risk – Impact of the COVID-19 pandemic on recovery of debts and the increase in bankruptcies, IVA, CVA's are likely to impact this years' collection rates. Close monitoring is taking place and support provided where possible.

6. Implications arising from the proposals

- 6.1 Financial as above
- 6.2 Legal Compliance
- the recovery procedures followed have been previously agreed; writing off uncollectable debt allows staff to focus recovery action on debt which is recoverable.
- 6.3 Personal Data Processing
- no changes to the way we process personal data.

- 6.4 Equalities
- the application of predetermined recovery procedures ensures that everybody is treated consistently.
 - failure to collect any debt impacts on either the levels of service provision or the levels of charges.
 - all available remedies are used to recover the debt before write-off is considered.
 - the provision of services by the Council applies to everyone in the area.
- 6.5 Crime and Disorder
- 6.6 Environment or Sustainability
- 6.7 HR or Staffing
- 6.8 Changes to existing policies
- 6.9 External organisations (such as businesses, community groups)
- No significant implications on 6.1 – 6.8 as a result of this report
