Dear Sirs,

I write to object in the strongest possible terms to the ^{prospect of the} renewal of the licence for the lap-dancing club 'Heaven' at the top of Newmarket High Street. It was extraordinary that the licence was granted in the first place, as the position of the ~~club~~ club should have meant that FHDC would not grant a licence according to their own guidelines!

FHDC will not normally grant a licence where any ~~process~~ premises within the vicinity are used for such ~~purpose~~ purposes as 'Family Leisure' - it's 20 yards from the Memorial Gardens and the Memorial Hall - and 'Domestic Residential Buildings' - it's 30 yards from the Avenue - and 'important historical buildings' - it is close to the Tockey club and Palace House & Tatts.

We are trying to improve and regenerate Newmarket - we have the fantastic Bill Tutte Memorial by the clock tower, we have a world-class

Museum opening next year, Newmarket is the historical home of horseracing with thousands of visitors every year.

This tawdry, seedy sex club is an absolute disgrace to a respectable town and must be shut down at the earliest opportunity.

I often drive through Newmarket late at night and am appalled at the unedifying sight of dozens of young men queuing up to get in to the club to watch exploited young women strip for their money. It is

degrading for both the women & the putes alike & has no place in a modern town like Newmarket. (In my opinion, it should have no place in any town.)

So I ask the licencing committee most sincerely to refuse to relicense this out-of-keeping sex establishment, which brings our town into disrepute.

Thank you.

Yours Sincerely

Floia Orwini
(Mrs)
