## 1. Key issues and reasons for recommendation(s)

- 1.1 The Revenues Section collects outstanding debts in accordance with either statutory guidelines or Council agreed procedures.
- 1.2 When all these procedures have been exhausted, the outstanding debt is written off using the delegated authority of the Head of Resources and Performance for debts up to £2,499.99 or by Cabinet for debts over £2,500.00.
- 1.3 It is best practice to monitor the recovery procedures for outstanding debts regularly and, when appropriate, write off irrecoverable debts.
- 1.4 Provision for irrecoverable debts is included both in the Collection Fund and the General Fund and writing off debts that are known to be irrecoverable ensures that staff are focussed on achieving good collection levels in respect of the recoverable debt.

## 2. Alternative options

- 2.1 The Council has appointed a firm of bailiffs to assist in the collection business rates and Council Tax and also has on line tracing facilities. It is not considered appropriate to pass the debts on to another agency.
- 2.2 It should be noted that in the event that a written-off debt become recoverable, the amount is written back on, and enforcement procedures are re-established. This might happen, for example, if someone has gone away with no trace, and then they are unexpectedly 'found' again, through whatever route.

## 3. Financial implications and collection performance

- 3.1 Provision is made in the accounts for non recovery but the total amounts to be written off are *as follows* with full details shown in Exempt Appendices 1, 2 and 3.
- 3.2 The total amounts proposed to be written off as a result of this paper is:

Exempt Appendix 1: Council Tax totalling £5,363.83

Exempt Appendix 2: Business Rates totalling £4,727.56

Exempt Appendix 3: Housing Benefit Overpayments £6,991.65

- 3.3 As at 30 November 2014, the total National Non Domestic Rates (NNDR) billed by Anglia Revenues Partnership on behalf of St Edmundsbury Borough Council (as the billing Authority) is nearly £47.3 million per annum. The collection rate as at 30 November 2014 was 75.54% against a profile of 75.37%.
- 3.4 As at 30 November 2014, the total Council Tax billed by Anglia Revenues Partnership on behalf of St Edmundsbury Borough Council (includes the County, Police and Parish precept elements) is just under £53.8 million per annum. The collection rate as at 30 November 2014 was 77.14% against a profiled target of 77.85%.
