Risk/opportunity assessment:		The Local Development Scheme (June 2013) chapter 8 includes a risk assessment that could affect the Councils ability to deliver the Local Plan(s) in accordance with the programme. Actions to manage the risks have also been identified. Failure to produce an up to date Local Plan programme may result in an unsound development Local Plan or a legal challenge.	
Risk area	Inherent level of risk (before controls)	Controls	Residual risk (after controls)
Significant public opposition	High	Local Plan documents have the potential to be highly contentious. Whilst every effort will be made to build cross-community consensus, there is a high risk of significant public opposition.	Medium
Loss of Staff	Medium	The structure and staffing levels within the Place Shaping Team will be constantly monitored and reviewed to ensure that the appropriate level of skills and resources are maintained.	Low
Financial shortfall	Medium	In the short/medium term, the Council has allocated funds through its Financial Services Planning process to allow for the preparation of the Local Plan. In the longer term, should costs increase, a review of the financial allocation will be required.	Low
Changing Political Priorities	Medium	Proposals are discussed with Members of all parties via a variety of means, the Local Plans Working Group, Sustainable Development Working Party Committee etc). This helps build consensus and reduce the likelihood	Low

		of wholesale change of direction from local politicians.	
Legal Challenge	High	As a measure of last resort anyone may issue a legal challenge within six week of adoption of the Local Plan. Officers will continue to seek to ensure that local plan documents are prepared within the legal framework in order to reduce the risk of successful legal challenge.	Medium

1. Key issues and reasons for recommendation(s)

1.1 Background

- 1.1.1 Previously, a joint Local Development Scheme was prepared and agreed by Members in Forest Heath and by Members in St Edmundsbury in June 2013. An update to the Local Development Scheme Appendix A programme chart was subsequently agreed by Members in May 2013.
- 1.1.2 The Local Development Scheme uses a project management approach to prepare the various parts of the Council(s) Local Plan(s). The programme is measured by 'milestones' which highlights the need to revise the published timetable.
- 1.1.3 The programme for the preparation of the Local Development Plans documents requires updating; all of the Local Development Plan documents identified in the Local Development Scheme 2013 – 2015 require a revised timetable and Working Paper 1 is the revised programme chart including milestones to replace the West Suffolk Local Development Scheme (June 2013) Appendix A programme chart and the subsequent May 2014 programme chart update.
