Are there any ICT		Yes □ No ⊠		
yes, please give de		•		
Are there any lega implications? If yes details		Yes ⊠ No □ The recovery procedures followed have been previously agreed; writing off uncollectable debt allows staff to focus recovery action on debt which is recoverable.		
Are there any equa	ality implications?	Yes ⊠ No □		
If yes, please give details		 The application of predetermined recovery procedures ensures that everybody is treated consistently. Failure to collect any debt impacts on either the levels of service provision or the levels of charges. All available remedies are used to recover the debt before write off is considered. The provision of services by the Council applies to everyone in the area. 		
Risk/opportunity assessment:		(potential hazards or opportunities affecting corporate, service or project objectives)		
Risk area	Inherent level of risk (before controls)	Controls	Residual risk (after controls)	
Debts are written off which could have been collected.	Medium	Extensive recovery procedures are in place to ensure that all possible mechanisms are exhausted before a debt is written off.	Low	
Ward(s) affected:		All wards are affected.		
Background papers:		None		
(all background papers are to be published on the website and a link included)				
Documents attached:		Exempt Appendix 1: Council Tax Exempt Appendix 2: Business Rates		

1. Key issues and reasons for recommendation(s)

- 1.1 The Revenues Section collects outstanding debts in accordance with either statutory guidelines or Council agreed procedures.
- 1.2 When all these procedures have been exhausted the outstanding debt is written off using the delegated authority of the Head of Resources and Performance for debts up to £2,499.99 or by Cabinet for debts over £2,500.00.
- 1.3 It is best practice to monitor the recovery procedures for outstanding debts regularly and, when appropriate, write off irrecoverable debts.
- 1.4 Provision for irrecoverable debts is included both in the Collection Fund and the General Fund and writing off debts that are known to be irrecoverable ensures that staff are focussed on achieving good collection levels in respect of the recoverable debt.

2. Alternative options

- 2.1 The Council has appointed a firm of bailiffs to assist in the collection business rates and Council Tax and also has on line tracing facilities. It is not considered appropriate to pass the debts on to another agency.
- 2.2 It should be noted that in the event that a written-off debt become recoverable, the amount is written back on, and enforcement procedures are re-established. This might happen, for example, if someone has gone away with no trace, and then they are unexpectedly 'found' again, through whatever route.

3. Financial implications and collection performance

- 3.1 Provision is made in the accounts for non recovery but the total amounts to be written off are as follows: Council Tax, £12,526.75 and Business Rates, £5,190.50 with full details shown in Exempt Appendices 1 and 2.
- 3.2 As at 28 February 2015, the total National Non Domestic Rates (NNDR) billed by Anglia Revenues Partnership on behalf of St Edmundsbury Borough Council (as the billing Authority) is nearly £47.3 million per annum. The collection rate as at 28 February 2015 was 95.95% against a profile of 95.59%.
- 3.3 As at 28 February 2015, the total Council Tax billed by Anglia Revenues Partnership on behalf of St Edmundsbury Borough Council (includes the County, Police and Parish precept elements) is just under £53.8 million per annum. The collection rate as at 28 February 2015 was 97.20% against a profiled target of 97.71%.
