## 1. Key issues and reasons for recommendation

### 1.1 Key Issues

1.1.1 The report at **Appendix A** presents performance against Quarter 4 2014-15 for both Forest Heath and St Edmundsbury, together with a combined performance for West Suffolk where this is relevant.

1.1.2 Forest Heath KPIs are denoted with a FH/ prefix, St Edmundsbury KPIs are denoted with a SE/ prefix and those for West Suffolk with a WS/ prefix.

1.1.3 The information included in the report has been provided by Heads of Service and service management. Most indicators report performance against an agreed target using a traffic light system with additional commentary provided for performance indicators below optimum performance. Other KPIs report a data value only (e.g. no target performance) in order to track performance over time.

1.1.4 The following table shows the status of the current performance for all indicators:

<b>Quarter 4 2014-15</b>	PI on or exceeded target 	PI below target within tolerance 	PI significantly below target 	Data only Indicators 
<b>Forest Heath KPIs</b>	7	7	1	10
<b>St Edmundsbury KPIs</b>	10	3	2	10
<b>West Suffolk KPIs</b>	8	4	2	7

1.1.5 Where performance is below target the data is supported by notes and explanations from services.

1.1.6 An indicator for return on our investments was suggested by the committee and work continues on pulling together some proposed indicators for the 2015/16 KPI discussions.

### 1.2 Planning Performance

1.2.1 Generally performance in dealing with the various planning applications has remained steady from quarter 3. Performance on minor applications has improved since quarter three.

1.2.2 As requested at the November committee meeting, there have been some indicators added in relation to planning enforcement. These indicators give details of the number of enforcement cases both opened and closed in the past quarter. They can be found in **Appendix A**, indicator numbers 59 to 62.

1.2.3 These figures give a snapshot of enforcement complaints over the last quarter. The new enforcement team is now in place with a Principal Enforcement Officer taking up their post in early February 2015. The Development Manager will be writing a monitoring report for the Council's Development Control Committee which will include key performance and outcomes for planning applications, appeals and enforcement.
