### 1. Key issues and reasons for recommendation

### 1.1 General

- 1.1.1 The aim of the digest is to provide an overview of the number and type of corporate complaints that the councils receive, as well as monitoring effectiveness of response and learning from any mistakes that have been made. Across both councils 27 corporate complaints and 49 compliments were received during the period October 2014 to March 2015 and data is provided for the individual councils.
- 1.1.2 Corporate complaints are co-ordinated and monitored by the Customer Services Team. The Team is supported in this work via a network of service complaints co-ordinators who are responsible for ensuring responses within their service areas are made in accordance with the councils' complaints procedure.
- 1.1.3 The councils operate a two step corporate complaints procedure which is implemented if complaints are not resolved by services. Step 1 involves a complainant who is dissatisfied with any part of the councils' service, or wishes to point out a fault, making a complaint by email, telephone, letter or via an online feedback form. Complainants receive a response within five working days which provides them with the name of the person dealing with the complaint and either responds to the complaint and explains how the situation has been dealt with or lets them know that the complaint will require more investigation and advises when they can expect to receive a full reply.
- 1.1.4 If a complainant is not satisfied with the response received under Step 1 of the procedure, they can request that the complaint moves to Step 2. This involves the complaint being investigated by Legal Services which provide an explanation of how the situation has been handled, the investigations that have taken place and whether the response provided is reasonable and fair.
- 1.1.5 The councils aim to fully respond to 90% of Step 1 and Step 2 complaints within 20 working days (from the date of acceptance of the complaint at each step). However, it is recognised that some complaints, and particularly at Step 2, can involve complex investigations and can take longer than 20 working days to complete. If additional time is required, this is agreed with the complainant.
- 1.1.6 The report also includes details of the number of compliments that the councils receive. The monitoring of compliments is important as it provides an opportunity to recognise services, teams or individual members of staff who have been praised by the customer for delivering an excellent service.

### 1.2 Local Government Ombudsman Report 2014/2015

1.2.1 Where a complainant is dissatisfied with the outcome of our Step 1 and 2 procedures they can ask the Local Government Ombudsman (LGO) to investigate the matter. The LGO informs us of the outcomes of individual complaints submitted to them (whether the matter was upheld, not upheld or partly upheld).

1.2.2 During the period 1 October 2014 to 31 March 2015 the LGO received one complaint about Forest Heath District Council which is currently still under investigation.

During the period 1 October 2014 to 31 March 2015 the LGO received two complaints about St Edmundsbury Borough Council, one of which is currently still under investigation. The LGO found limited fault by the Council in the second complaint and a further explanation will be provided in Part Two of PASC for St Edmundsbury Council.

# 1.3 **Complaints**

1.3.1 A breakdown of corporate complaints in the period 1 October 2014 to 31 March 2015, including outcomes and lessons, can be found at **Appendix A**.

## 1.4 **Compliments**

1.4.1 As part of the monitoring of feedback from our customers, the Customer Service Team maintains records of compliments received for particular services or individuals. Services are asked to pass on positive feedback in order to promote a culture which acknowledges and celebrates excellent customer service and also provides an opportunity to share that learning with other staff members. Between 1 October 2014 to 31 March 2015, 49 compliments were received by both councils. A breakdown of compliments received by service is attached at **Appendix A**.
